To end,
A really swell kid through out the
time I've known her. Best of luck
in the future! Love to Sheila (sister)

The month was January, the year — 1960, the place—Richmond Senior High, the occasion—the ground breaking for the new addition to our school.

Thus began the roaring of bulldozers, tapping and pounding of hammers, odor of roof pitch, and sound of men shouting, "Watch out below!"

Steel beams began to stand tall; soon bricks hid their nakedness; then a protector for all was placed on top. Walls began to take shape, floors were properly placed, paint was applied, and a finished addition became ours.

The new and old halls of RHS echoed with the gleeful noises of students returning to school in September of 1962. Doors of academic study were opened for us by 70 teachers. A whirlwind of classes, gala activities, and competitive sports began in September and continued throughout the school year.

Competitive sports where we carry our school colors, classes where our teachers guide us, activities where we work together. **ALL THIS IS OURS.**

IN DEEP APPRECIATION . . .

for their many years of service to RHS. Both of these teachers have been teaching here since the present building was built in 1938. Previously Mr. Miller taught at Morton and Mr. Keefer, at Dennis. Mr. Miller graduated from Wisconsin in the top 7% of his class and received a Phi Beta Kappa Key. Before coming to Richmond, he taught four years in an elementary school in Wisconsin. Mr. Miller remembers well the date of Feb. 11, 1924, for this is when he came to Richmond to teach. One day, a month and half later, Mr. Miller was awakened by his landlady with the news that the high school was on fire. Being the first of April, he didn't believe her at first. Then he hoped the fire didn't start in the chemistry room. It didn't. School was out for a week to clean up from water and smoke. They also cleaned all the labels off his chemical bottles. He has no plans as yet

for the future.

Mr. Keefer graduated from Indiana State College over 46 years ago. He taught first at New Albany before coming to Richmond to teach at Dennis. Mr. Keefer has done some comparison of schools now and when he first started teaching. He has noticed how today the schools are now more centralized and they are bigger and better with fewer buildings. He was quick to add that the schools of the "old" days did a "mighty fine job." They fulfilled the social needs of the day as they do today. Mr. Keefer remarked that today's parents supply their children with good clothes and wonderful possessions. He has had a happy and long career and is thankful in all ways to the community. He will probably move to Florida to fish, fish, and fish some more; but he will always call Richmond his home.

ADMINISTRATION

Mr. John O. Reed, Principal,
Richmond Senior High.

John O. Reed

Mr. Charles McConnell, Vice-Principal
Athletic Co-ordinator, Richmond Senior High.

Mr. McConnell, along with being vice-principal, is also co-ordinator of our athletic schedules.

Mr. Coons has a duo-responsibility as vice-principal and Dean of Boys. His A.B. degree from Earlham and his M.A. degree is from Columbia University.

During Mr. Reed's four years at RHS, he has gained the respect and friendship of every student. He received his B.S.E.D. from Ohio Northern University and his Master's from Ball State.

Mrs. Friberg, known to most of us as Dean of Girls, is also busy as advisor of Student Council and as counselor for college-bound seniors. She received her A.B. from Concordia College and her A.M. from Columbia.

Mrs. Gladys Friberg, Dean of Girls,
Scholarship Director, Richmond Senior High.

Mr. Richard Coons, Vice-Principal,
Dean of Boys, Richmond Senior High.

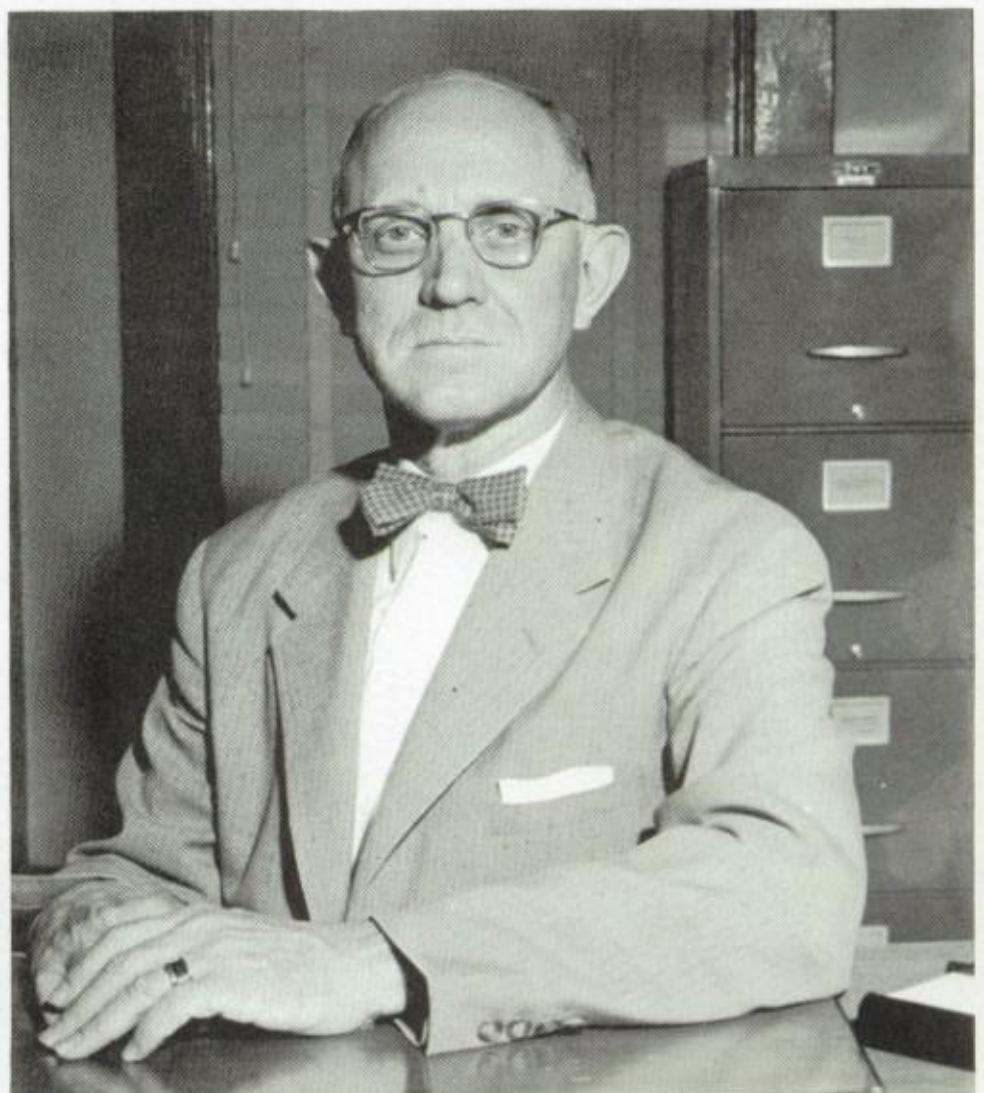

One of the most prominent figures in our school system is Mr. Paul C. Garrison. As superintendent he is responsible for the financing, buildings and personnel of our school system along with public information. He also sees that the policies of the school board are carried out. Mr. Garrison completed work at Indiana University for a B.S. degree. He has had further training at I.U., Columbia, Colorado State, California State, and Purdue University.

Mr. Paul C. Garrison,
Superintendent of Schools

THE HELP RUN OUR SCHOOLS

As Director of Secondary Education, Mr. Glenn Holder is responsible for instruction, courses of study in the junior and senior high schools, and helps in personnel selection. Mr. Holder received his A.B. from DePauw and his A.M. from I.U. Mr. Holder was once a teacher at R.H.S. and has sponsored all three publications of our school at one time.

Mr. Glenn Holder,
Director of Secondary Education

The chief purpose of the supervisory staff is to help the classroom teachers in the improvement of instruction. They see that their segment of the entire network of instruction is of the highest standard. The supervisory staff is under the direction of the principals of the various schools, but they are responsible to the superintendent of schools.

Row 1: Mr. Richard Tiernan, Supervisor of Health, Physical Education and Safety; Mr. J. D. Wickersham, Supervisor of Audio-Visual Aids; Mr. Glen Johnson, Supervisor of Music. **Row 2:** Mr. Robert T. Wyatt, Supervisor of School Attendance; Mr. Donald W. Lindley, Director of Special Education; Mr. Robert Lindsey, Coordinator of Vocational Education.

SUPERVISORY STAFF & SCHOOL BOARD

The school board's chief responsibility is that of establishing policies under which the individual schools may operate most effectively. This year the school board consisted of seven members because of the unification of the Richmond, Boston and Wayne Township school systems. Next year for the first time these school systems will be operating under one elected board. This interim board has been confronted with serious and difficult problems in the reorganized school unit, but they have performed their job with great success.

Row 1: Mr. Robert Kulman, Vice-President; Mrs. Richard V. Mikesell, Secretary; Mrs. Elmer G. Varnell, President. **Second Row:** Mr. Clarence Runyon, Mr. Joseph S. Balestrieri, Mr. James H. Yount, Mr. Loren C. Ahaus, Treasurer.

Left: Mrs. Helen Davenport, Registrar.

*Best wishes,
R. Denning*

Right: Mrs. Ruby Denning, Secretary to the Principal.

Above: Mrs. Catherine Vioni, secretary to the Deans and Athletic Director.

The office staff at RHS is kept busy answering the demands of the Principal, Vice-Principal, Deans, and US. These four ladies are always ready and willing to help in any way they can.

Mrs. Oler is the only one we don't find in the office. She may be found in the Rental Book Room across from the library. She has charge of the books we use in class and sees that we pay for lost books.

Above: Mrs. Edith Bryant, Secretary.

Many new social events have been added to the already eventful calendar of Richmond Senior High. There was the new football booster ticket sale in August. The Y-Teens' pumpkin and nut sales proved to be spectacular events. Mardi Gras made its appearance in April of this year. Hi-Y gave us Homecoming and Snowball Dances that outdid all of the others. The Junior-Senior Prom will be long remembered. Commencement was a star-filled night for our seniors and their dates. Our sports activities are a part of school that must not be omitted. Red Devil fans will long remember the great success of our football team. The players could never forget the muddy but victorious game at Chaminade. Our cross-country team contributed a new trophy by winning the North Central Conference. Our basketball team was one to be congratulated.

Yes, all the students at Richmond Senior High did their part in helping to make our school life of 1963 funfilled and enjoyable for all.

OUR SCHOOL LIFE

THE LITTLE THINGS

That class is so boring . . . I need a library pass . . . are you going to sign up for Y-Teen Cabinet? . . . school's out at last . . . where's my trig. book? . . . do you have your term paper done? . . . one more day of school . . . I worked on physics for two hours last night, and then we didn't have to turn it in . . . what's happening this weekend? . . . Where's room 236? . . . do you wear that Y-Teen outfit every Wednesday? . . . meeting for Social Studies officers this morning during homeroom . . . I'll never get used to the new addition . . . it takes a football block to get through these halls . . . hurry we'll be late to class — again.

As the clock ticks off the last minute the books are gathered up and teachers begin to hide behind their desks. Upon the first sounding of the bell the halls are vibrating with the sound of running feet, laughing voices, slamming lockers, discussions, and at last the sound of the bell again, and quiet.

Throughout the school year we have seen many banners come and go in Social Hall. This is just one of the many.

The crowd at both games and pep assemblies are always full of excitement.

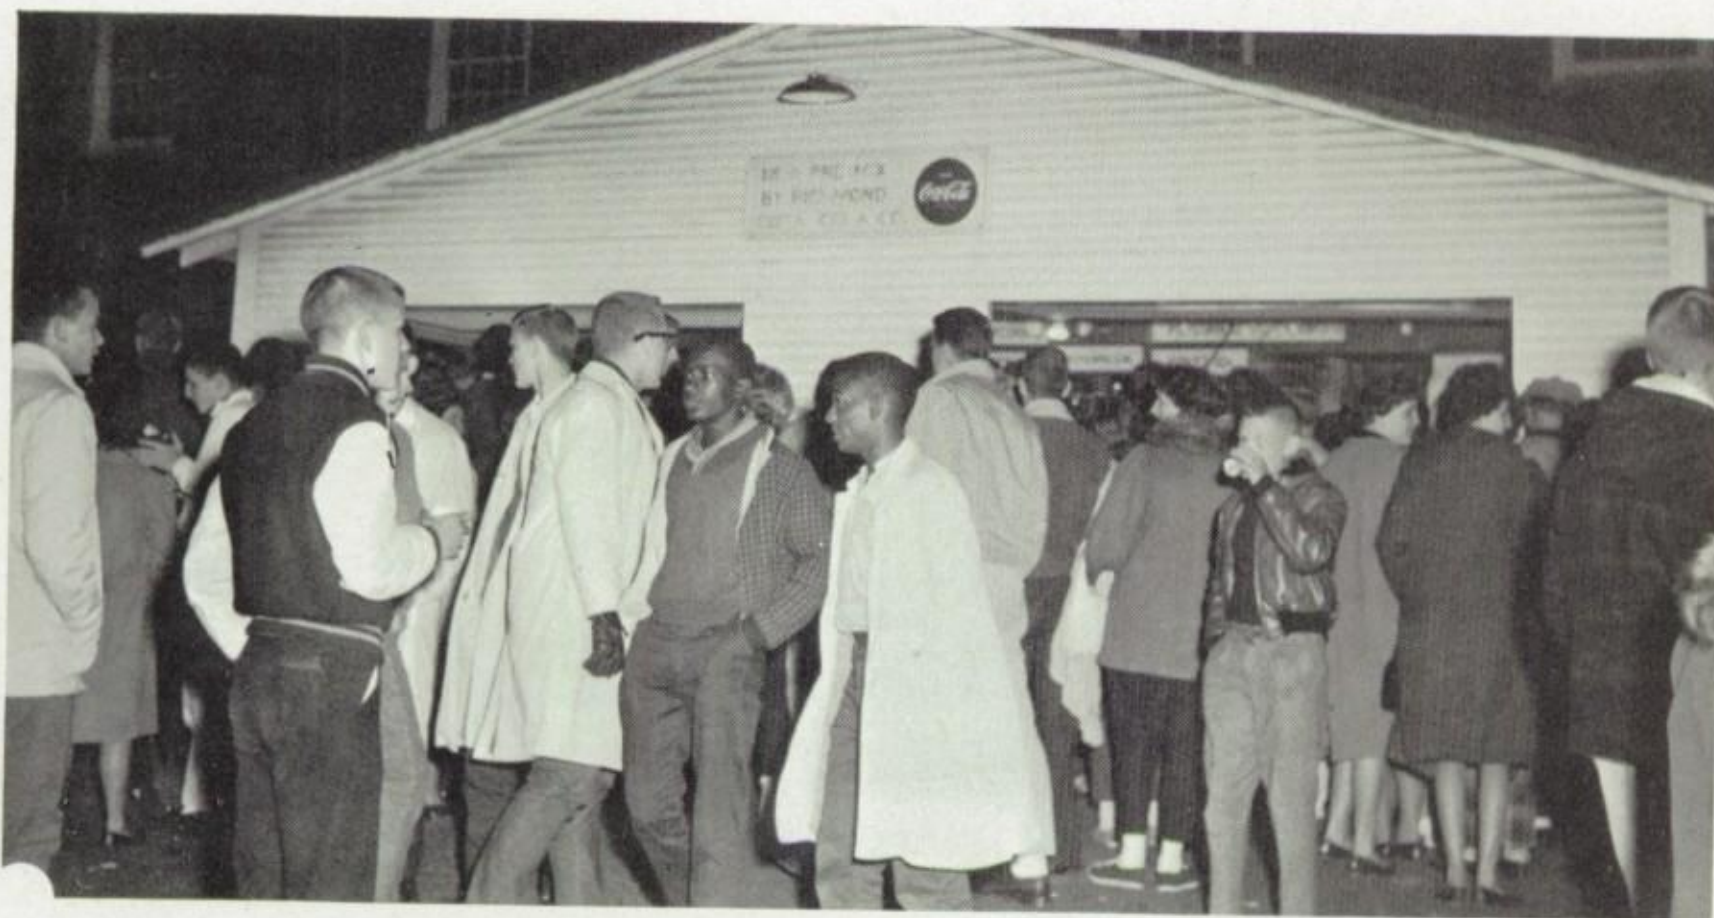

A favorite stopping place is the benches in Social Hall. Above, a few girls take the opportunity to catch a breath at the end of a long day.

WE DO AND SAY

Although very little thanks is given to Mr. Trout and the students who work at the concession stand during the football and basketball seasons, they deserve much credit and thanks. They give up their games to serve us, and while we are sitting in the stands enjoying an exciting game, they are in the background hard at work.

Coke and two coffees, please . . . it's so cold . . . next . . . I dropped my money . . . sorry, we're out of popcorn . . . 25c, please . . . did Rick get the extra point? . . . the score is tied . . . ice-cream bar . . . two hotdogs . . . what happened? . . . another touchdown for our side, I think . . . hurry up . . . what? . . . that's four fouls on him . . . did you see the Block R performance? . . . can I help you? . . . here's your change . . . who's ahead now? . . . I'm hungry, Daddy . . . Mr. Trout, help! . . . thank goodness, it's time to close . . . see you tomorrow . . . don't forget your purse . . . Goodnight, Mr. Trout.

A familiar sight at RHS is the absent pass line in the early hours of the morning. Here students sleepily await their turn to see the Dean.

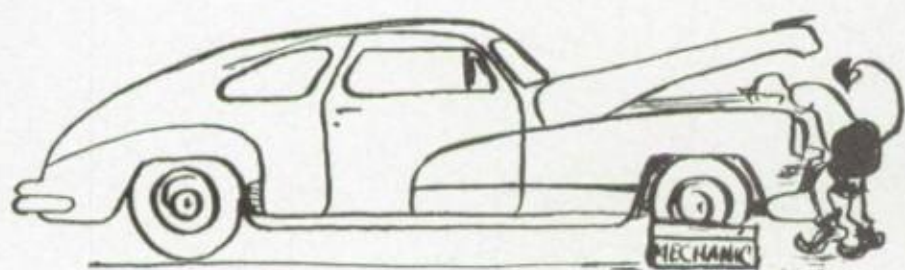

A typical sight at all of our games is a group of RHS fans gathered around the concession stand.

SENIORS

The parking lot officially started in 1955, when students were required to register in order to drive to school. It was paved in the summer of 1958, and in 1959 the first stickers were issued. The Safety Check as we know it today was first started in 1960 by the Student Council and is now functioning well. The check is held in the fall, just before school starts, with the cooperation and help of Student Council Representatives and the Police Department. By following a few simple traffic rules the student driver is provided with a safe and convenient place to park while at school.

Jim Cohee finds it amusing to see Pat Cook picking up her books after they have fallen from her overcrowded locker.

As sure as school comes in the fall the annual safety check does too. This year the safety check was held in the parking lot. Jim Bever was chairman.

THE CONFUSION IN THE PARKING LOT

The Senior Class Council plays an important part in choosing the colors of the robes for commencement and the style of invitations for graduation. Rick Jordan is President.

The government in our school makes us all more aware of our country's government; what it does and how it functions.

Junior Class Council is the first step in school government, where the student gets his first look at the workings of his school and providing for and discussing his class problems. Senior Class Council delves farther into the school government, decides on graduation robes, invitations, and programs and assists in the adjustment of the underclassman.

Student Council—the main governmental body of our school—makes and acts upon the laws of our school in order to make it a better and more beautiful place than was given to us.

Visitations to and from our school are very important to the student council. Here Dave Rodeffer, President, greets the students from Boston.

Mr. Reed, Chief of Police, and Captain Troy Wolf, are pictured above with the recognition that RHS received for having an outstanding safety check.

OUR SCHOOL GOVERNMENT

Bill Hoch and Dick Houston prepare to raise our Flag. This is done each morning weather permitting.

Hi-Y has charge of the raising and lowering of our flag each day. It takes but a few minutes each morning and afternoon to symbolize once more that "All This Is Ours," our school, our city, and our country.

Assemblies not only break the monotony of the school day, but give added knowledge and entertainment to the student body. Sometimes there are pep assemblies in the afternoon to boost school spirit; sometimes there are assemblies in the morning to provide a lecture, an induction of a group, awards, or just plain enjoyable entertainment.

OUR AMERICAN HERITAGE

Each assembly plays a very important part in our school life. Above the National Honor Society members are installed.

FOOTLIGHTS 1963 PRESENTS

In the beginning there was WORK!

Constant rehearsals, drilling for perfection . . . Members Pat Smith, Cathy Mercier, Ann Armstrong, Vicki Roller, Vance, Joann Wagner, Sue McKinnley, and Jane Ann

There was also a love that "Was Never Meant To Be."

A riotous "Hey Rube" called everyone to defend the circus against any possible danger.

But there were still mistakes that had to be corrected.

"ON WITH THE SHOW"

of the Chorus line are, **left to right:** Sandra Armacost, Sherrie Kinder, Carol MacMahan, Sue Brittenham, Mary Simpson.

And then there were snakes . . .

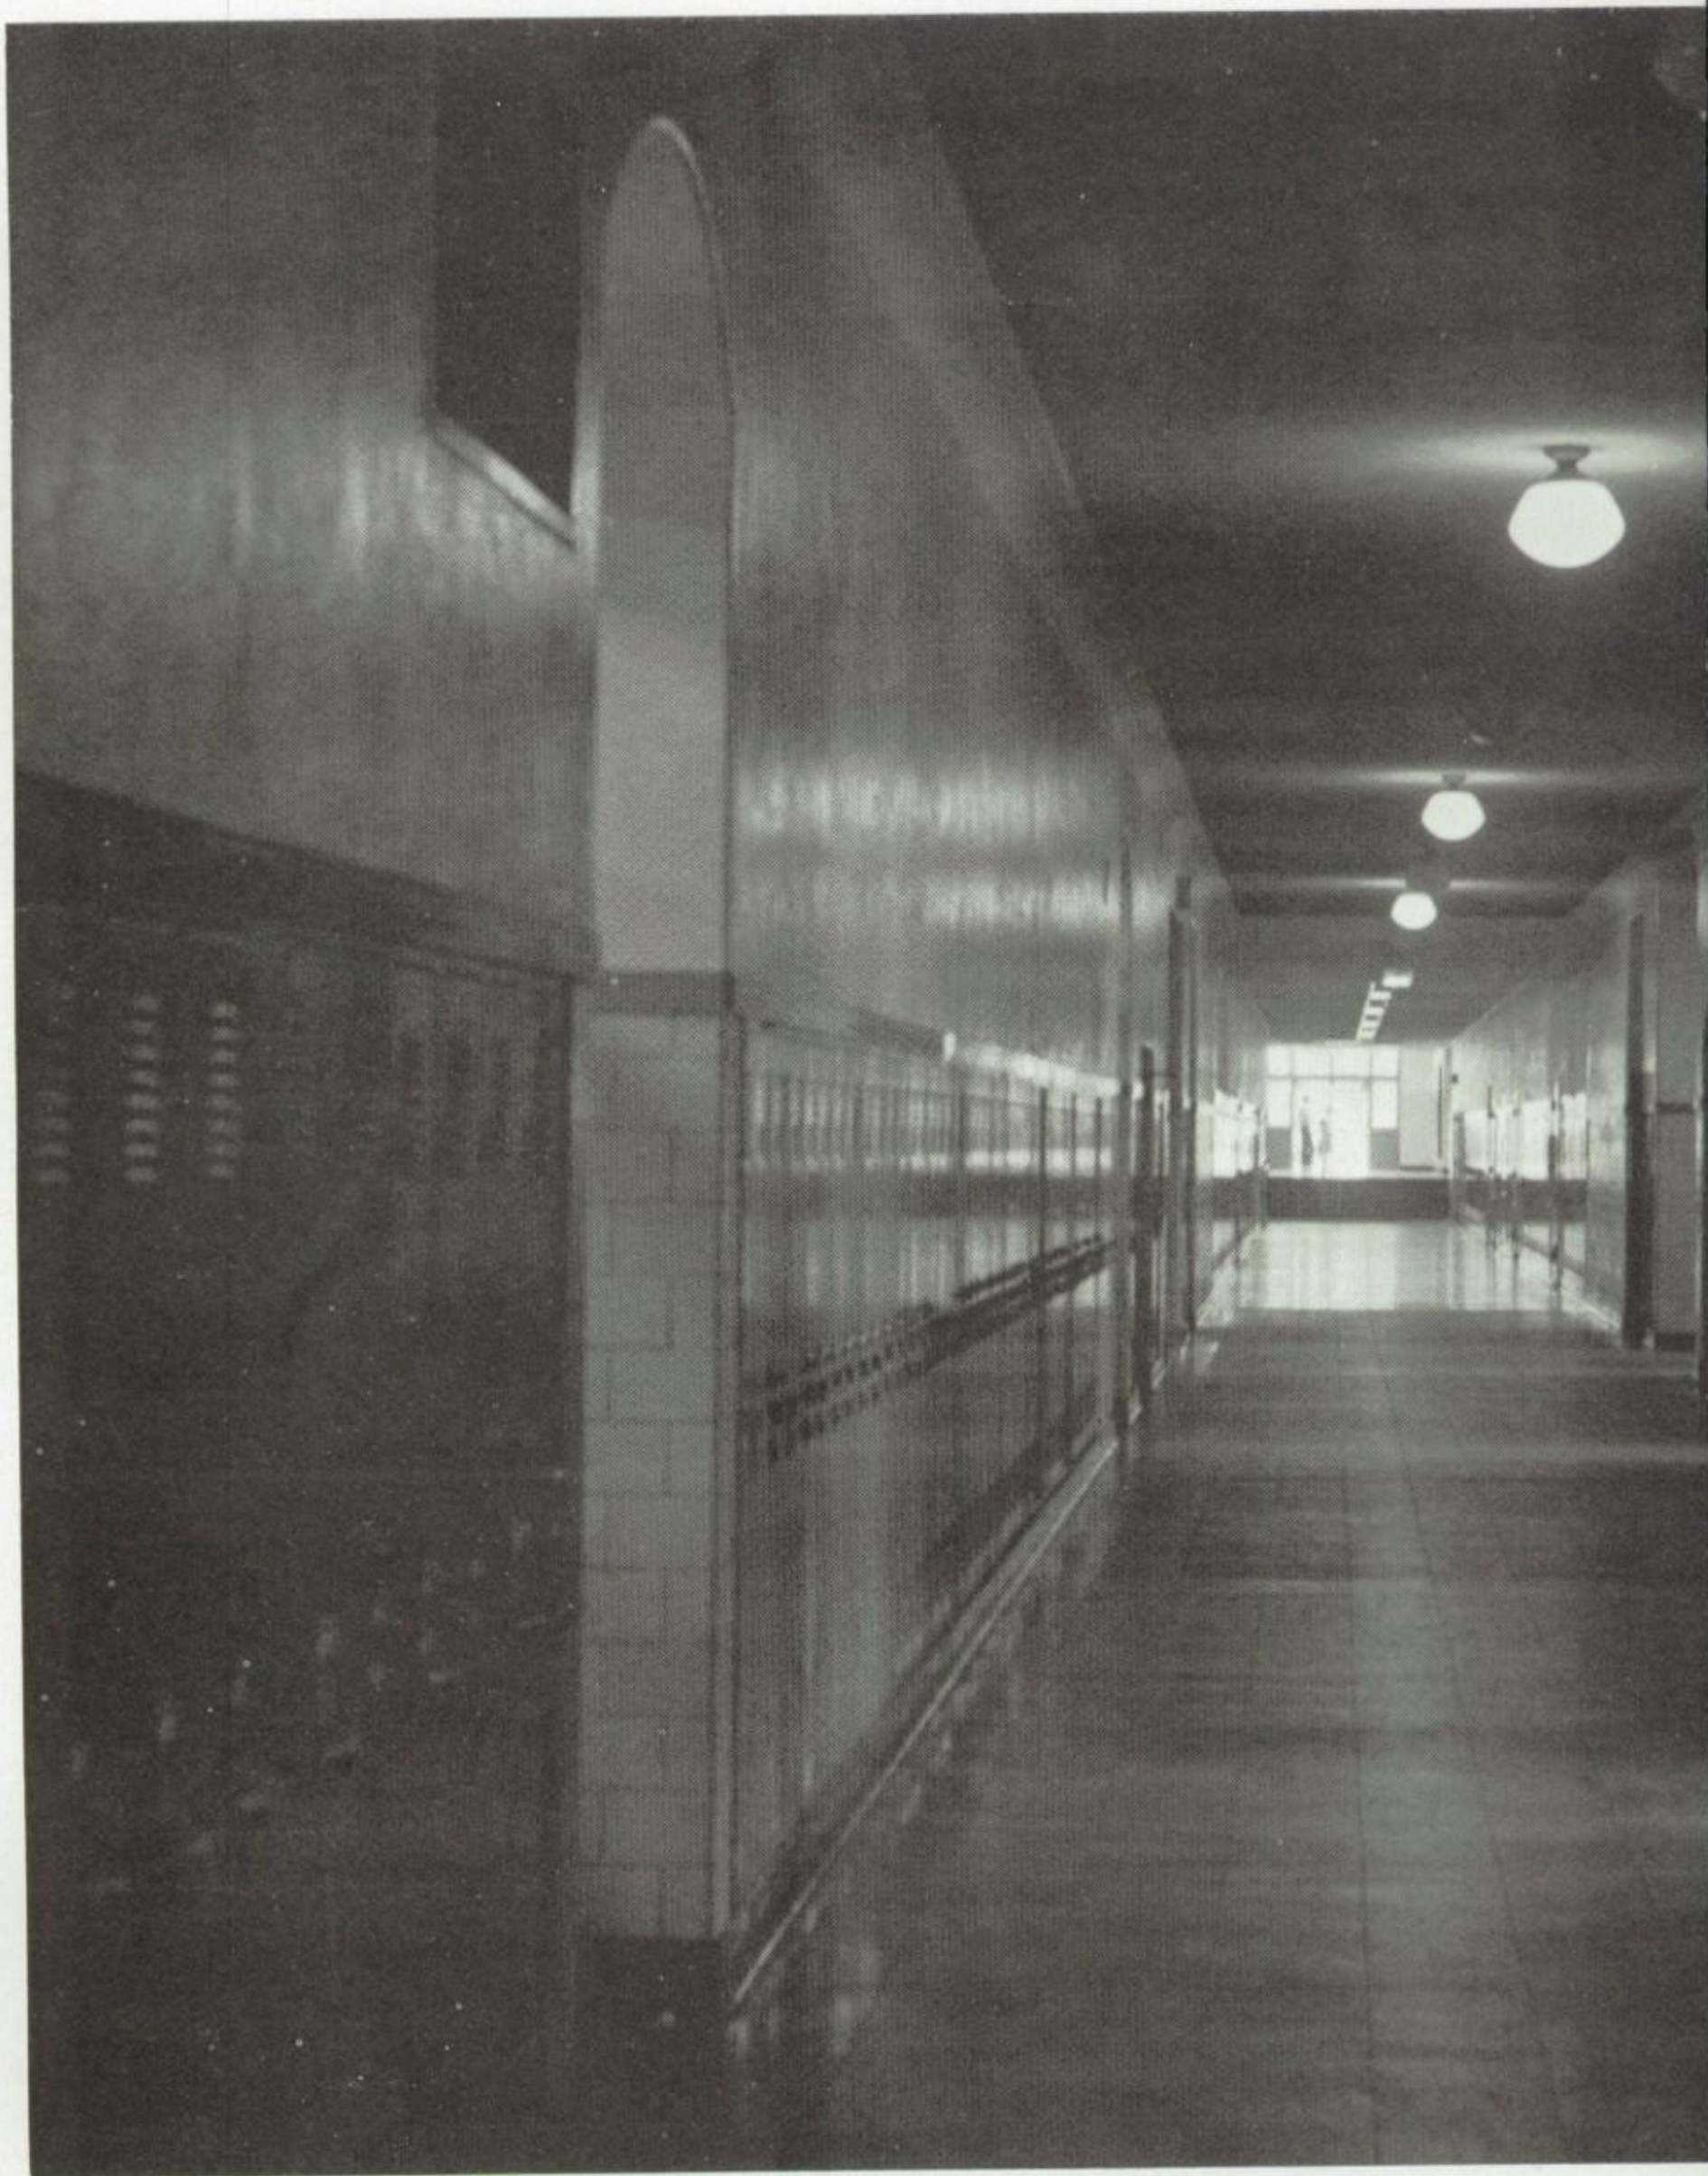

And little disagreements that had to be handled before the performance could continue . . .

And sometimes we were caught off guard .

But Mr. Harrell, Mr. Davenport, and Mr. Elrod looked and saw that it was good, and we rested.

The quick shuffle of over 1800 pairs of feet scurry to and fro every hour as the students drift from room to room. Here 70 teachers teach as many as 100 subjects ranging from Government to Boys' Cooking.

As students rush to their not too academic lockers, others are standing in Social Hall talking about everything from their O. A. O. to what the latest fad is. Within the last few seconds before class you always see streaks in the hall representing students hurrying to beat the bell. Occasionally they are late and must go to the deans' offices for passes.

The new addition has made it harder to find classes, not only for the new students, but also for the old ones. Nevertheless, we have managed.

All this represents

OUR HALLS OF ACADEMIC STUDY

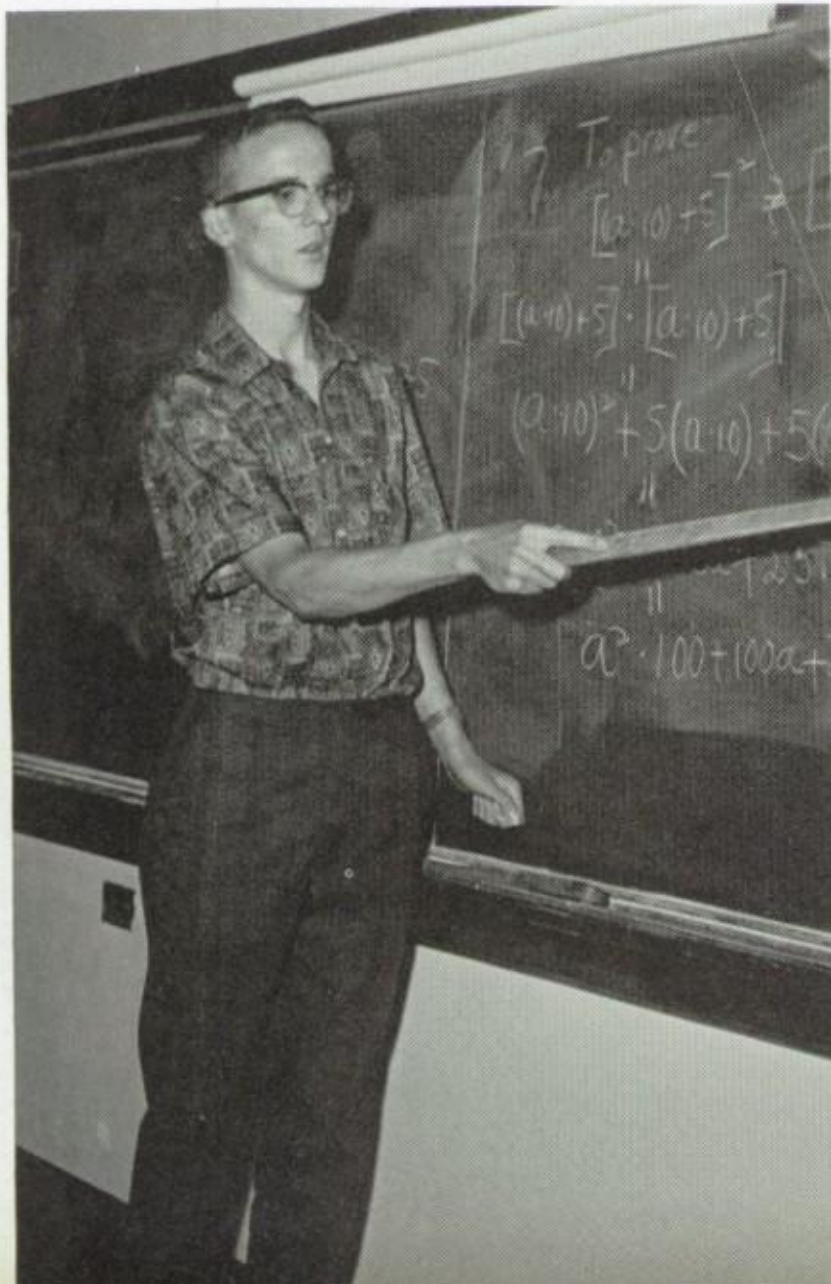

Class discussion and illustration help make mathematical ideas clear.

Math is of great importance to the students of RHS. To the college bound student, it usually means geometry, algebra, and a semester of trigonometry and analysis.

In almost every occupation, math is a necessity, therefore, Richmond Senior High School puts much emphasis on it. Math is not an easy subject as you can see. It takes a great deal of thinking and reasoning to arrive at the correct answer.

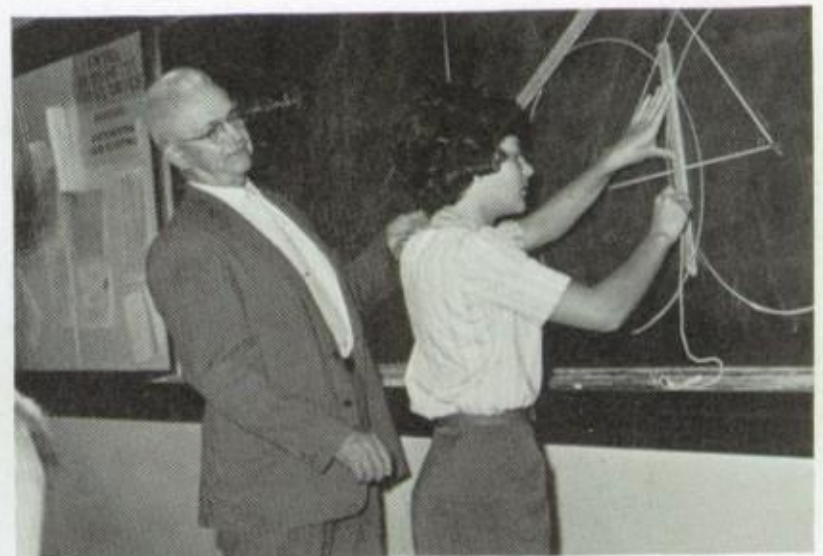

The classroom is the center of applying math skills. The student has the opportunity to share his ideas with the other students and discuss his own.

MATH AND SCIENCE FILL SCHEDULES

Students have the opportunity to show their knowledge in algebra by illustrating techniques at the board.

Mr. Brenneman is always on hand to help a student in distress. But it seems that he is not needed very much in the case below.

Mr. Alexander is quite proud of his new high powered microscopes. Biology students take the opportunity to use them.

Sandy Wilmont illustrates the lines of a hand in Mr. Moschell's Psychology class.

OF COLLEGE PREP STUDENTS

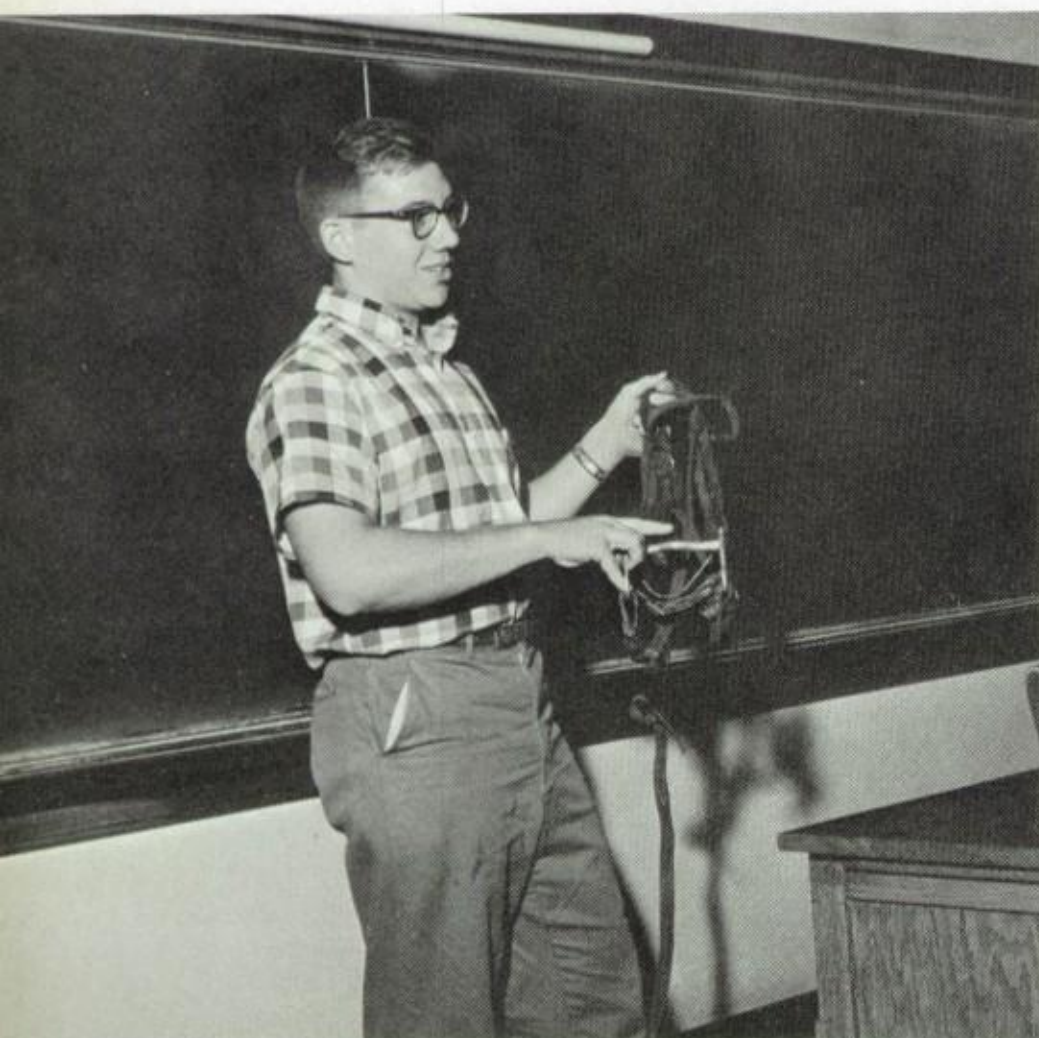

Since math and science are corresponding subjects, a good part of the first floor in both the new and old buildings is devoted to them.

The sciences are not subjects to be taken lightly. They take a lot of memorization and concentration to learn and understand the theories and practices. Biology is the only required science, but the college bound student usually takes others. These may include such things as chemistry, physics, psychology, earth science, and physical science.

The student interested in math can take courses ranging from plain geometry to Ball State math and analysis. They too cause many headaches and long hours of memorization in order to understand the methods of working specific problems.

Mr. Goodnight and a few of his students give a demonstration in Chemistry I.

Action is the key word of the English Department at R.H.S. The aim of the English Department is to give the students programs which are full of vitality but still carry the practical message. R.H.S. offers Advanced Placement English, Academic English and General English. Advanced Placement is relatively new at R.H.S. as it is only in its fourth year. These students are really taking college freshman English and have a lively and varied course which includes everything from reading short stories to writing them.

"I can't go to the game because my term paper is due next week," is a familiar statement at R.H.S. Also, at one time or another, all of us have been required to give a speech, a book report or to take a spelling test. Since English is a requirement for graduation, all students must complete at least five semesters of it. Throughout the three years, the courses are balanced between strictly book work and the informal speeches and recitations, therefore giving the graduate a well-rounded English background.

Elmer Brown demonstrates the use of a bridle in Mr. Harrel's 3G English class.

ENGLISH AND FOREIGN LANGUAGES

English Lit. is a must in the English Department. Mr. Matthews and his class find various ways of studying.

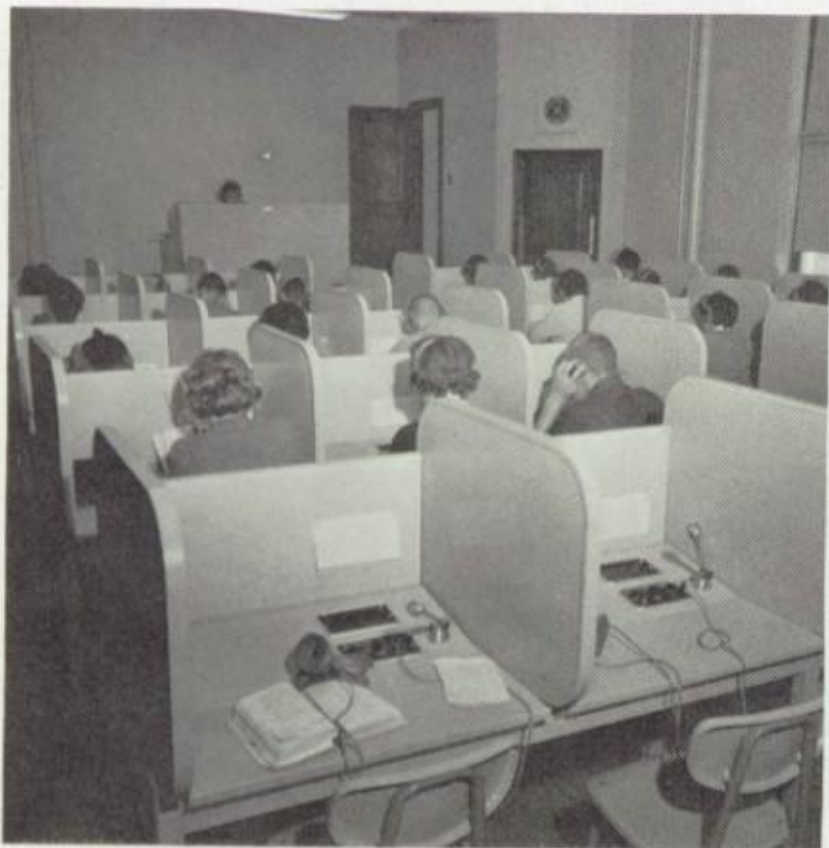

The Foreign Language Department is always looking for new ways to present the languages that are offered at RHS: Spanish, French, and Latin. This is evident by the great number of posters and flashcards which adorn (perhaps litter is a better word) these classrooms. This is the first full year that our language laboratory has been available to students. The laboratory gives the students an opportunity to hear the foreign language spoken by natives of the foreign country, and it also gives the student the opportunity to hear his own mistakes in pronunciation so that he may correct them. The laboratory not only aids the student in pronunciation, but it also provides a change of pace from classroom routine and everyone manages to have fun while learning.

Proof of the amount of student participation in the Spanish and French classes can be heard almost every day; music blares and the voices of students can be heard screeching down the halls. The classes also use skits and speeches to give practice in using the language.

Skits are often used by Miss Clark to teach students Spanish. Here two students from Earlham are doing a Mexican dance.

OFFER A WIDE VARIETY OF OPPORTUNITY

This is the first complete year the language lab has been in use. Here Mrs. Cushman's French class find it helpful in learning French.

Although Latin is a dead language, it is still very important, for it is the basis for all romance languages. Drawings are a primary source for facts of Ancient Rome.

ART, INDUSTRIAL ART, AN HOME ECONOMICS

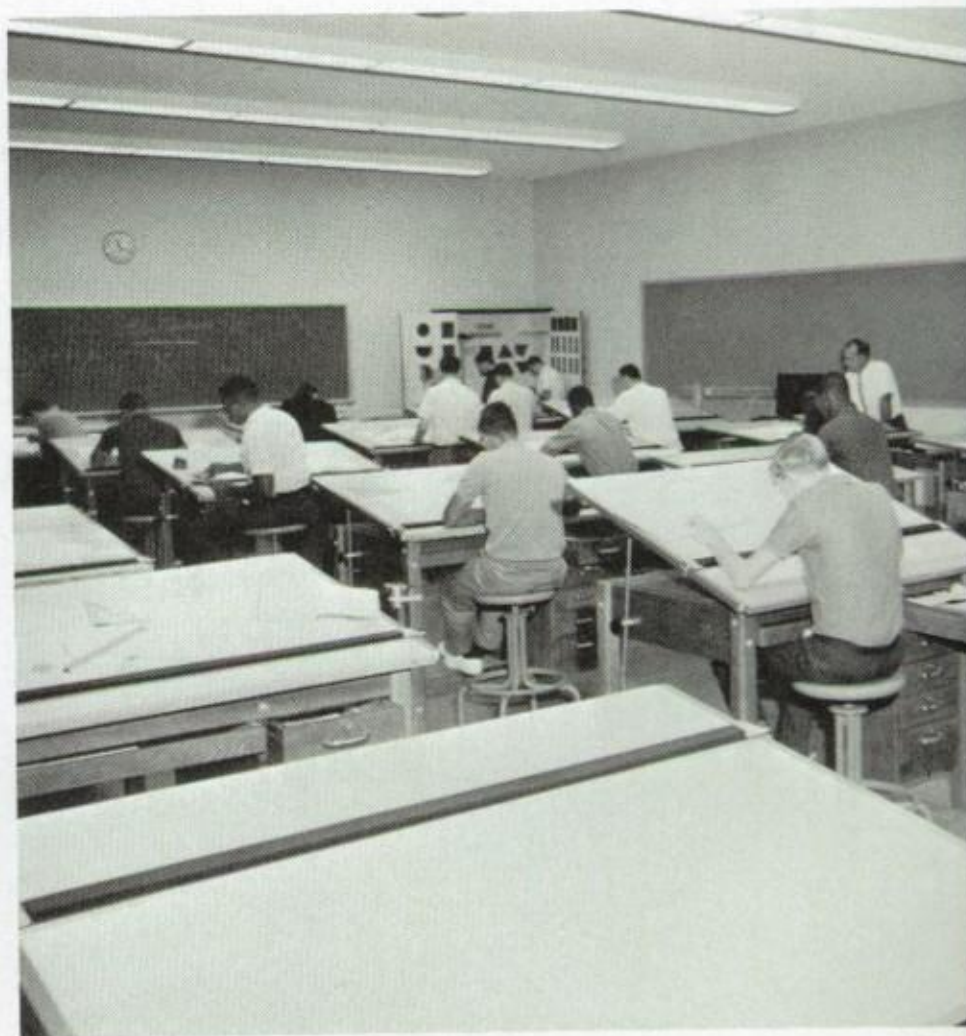

The aim of the R.H.S. Art Department is to provide students with a basic understanding of the place of art in modern life and to cultivate individual understanding and expression in all media by carrying out a wide variety of activities. The program enables all pupils, whether they possess special talents or not, to experience the adventure of creative expression. The talented student is thus able to build the foundation of a career in art.

A serious attempt is expected on the part of all art students to do their best regardless of talent.

This year, with the completion of the new addition, there are many new machines to be used by the students in the vocational branch of study. Vocational education is the specialized training of youth for employment in specific fields.

Vocational education is offered in two of the fields which are included in our state and federal government vocational educational plans. They are distributive and trade and industrial.

REQUIRE SKILLFUL AND STEADY HANDS

Home economics is considered as one of the practical art areas. Courses in the Home Economics Department provide valuable and practical help in home living for both boys and girls. Home Economics classes offer each student opportunities for participation in activities related to personal, home, and family living. Here social poise, ability to manage, and competence in homemaking and vocational skills may be developed. A well-rounded program includes Clothing, Foods, Home Management, Home Nursing, and/or Today's Living. There is also Homemaking for Boys that is quite popular and useful.

HISTORY IS A RECORD OF THE PAST; WHILE

When Columbus discovered America in 1492, he not only discovered a great land that blocked his way to the Orient, but he also discovered a land that was to become great in many ways. Here a country was to grow from a few small, scattered settlements to, in a sense, one big settlement that would be a world power. It is because of this proud heritage of our country that we study the history of it: its growth; its people; its laws; its government; and its beliefs.

Because of the complexity of this study, it has been broken down into three main courses plus electives. U.S. History, Government, and Pacific Relations or American Problems, all of which we find ourselves struggling through. The elective list for those wishing to major in Social Studies include World History, Modern History, Geography, Psychology, and Sociology.

Mr. Brantner, Jr., is giving a lecture to Mrs. Strahan's American Problems class. Lectures add greatly to the knowledge and interest of classes.

JOURNALISM IS THE HISTORY OF TODAY

Left to Right: Carol Bailey, Marilyn Shears, Zella Dow, Alice Bennett, Editor, Ann Fuller, Mr. Kaiser, Advisor, Lilli Mitchell, Sheila Moffet, Mr. Pearsey, Printer.

Just as the newspaper plays an important role in the life of our nation, the Register has been with us since 1896 and has been through many different sponsors and staffs. The click-click-clicking of typewriter keys, the yell for an eraser, the rush to meet a deadline, proofreading, pasting the paper together, taking pictures, and getting that all important news are the common sights and sounds of Mr. Kaiser's fifth hour.

Drivers Education instructors tell all pupils to check the gas tank before driving the car, but it is possible to forget.

BASIC REQUIREMENTS AND RELATED ELECTIVES

One semester of health and safety education is required, and it is usually taken during the first year in high school. Instruction in health habits, health attitudes, understanding of body functions, knowledge of diseases and even certification in First Aid if the student is interested, constitute the course.

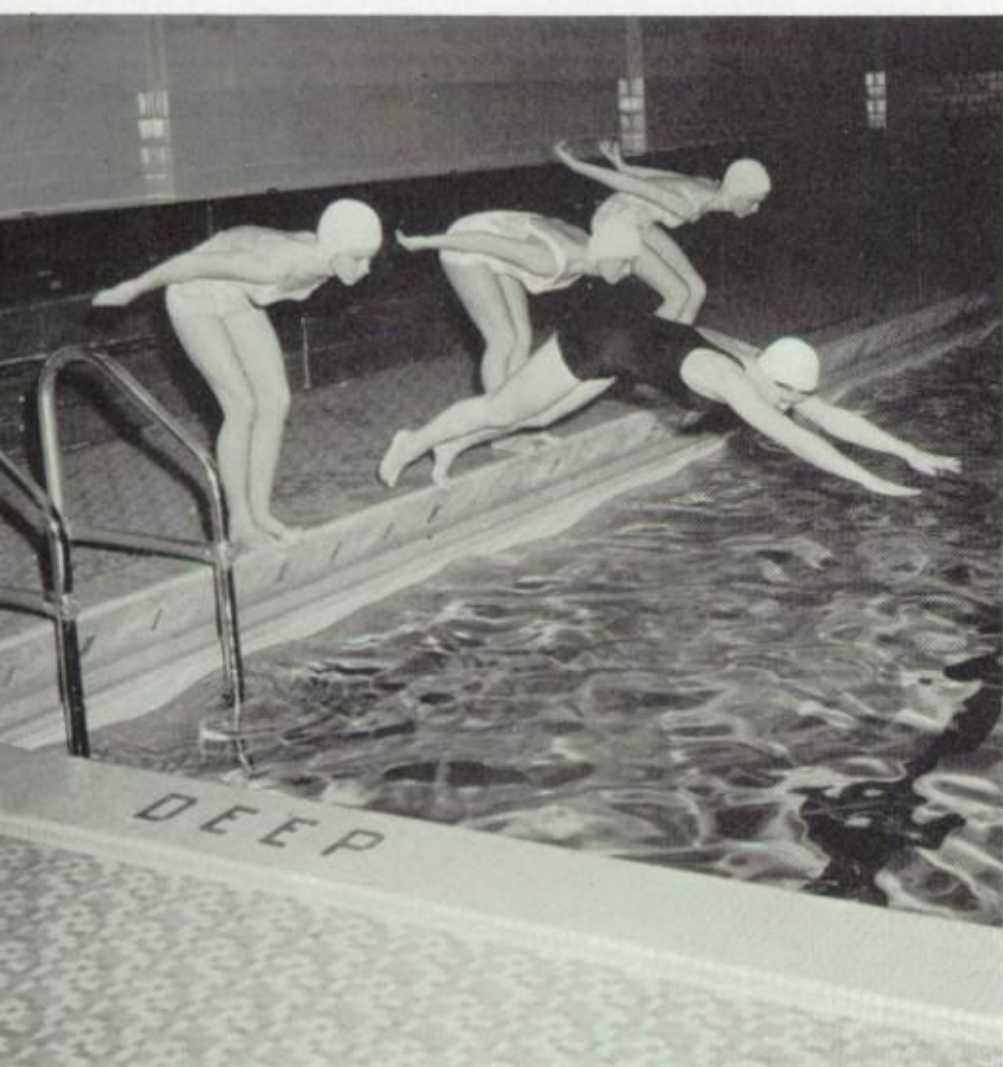

Driver Training is an elective course and is open to anyone more than 15½ years old. There is no credit given. The class is a behind-the-wheel course, and pupils get about six hours of instruction. The book-work in Driver Training is offered as a unit of the Health course.

Health is required by state law for graduation. One of the many things studied is First Aid.

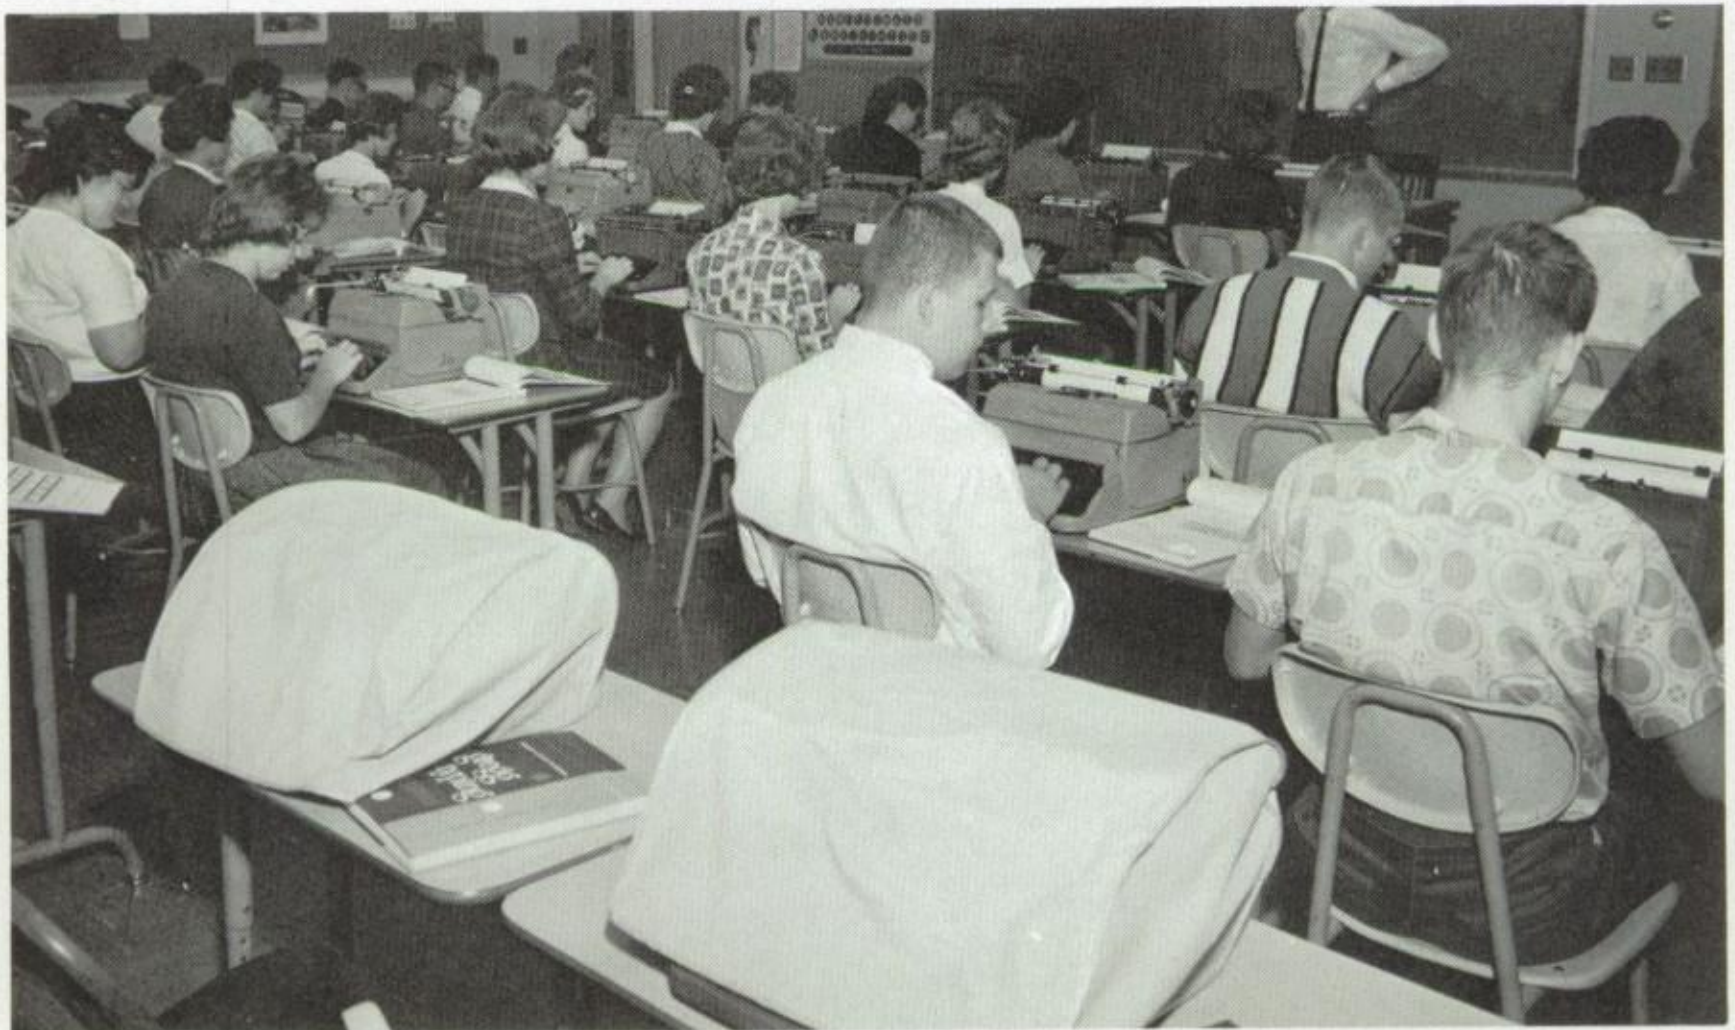

AID IN TRAINING TODAY'S STUDENT

Two semesters of daily physical education are required of every student in high school. Facilities are offered for physical education, intramural, and athletic participation throughout the high school course. Boys participate in marching, soccer, touch football, speedball, co-educational rhythmic, wrestling, basketball, tumbling, golf, volleyball, track, and softball. The girl's program includes many of the same activities plus field hockey, badminton, table-tennis, and folk dancing. In becoming acquainted with a great number of activities, the student learns skills that are of benefit to youth as well as activities that will lead to recreational pursuits in later life.

BUSINESS TRAINING IS PUT INTO ACTION

One task of the Distributive Education program is to fill the showcase across from room 129 with the latest fashions. Jerry Cain and Pat Tompkins designed the first case.

BY THE DISTRIBUTIVE EDUCATION PROGRAM

This year the business classes have all been moved to the second floor in the new addition. The business students all have access to the new electric typewriters and the many different office machines. New business subjects are in the future plans of the business department.

Distributive Education is the class in which one is trained to work in stores and other places of business. The teacher tries to give the student two semesters of training before he is put on the job. All graduate trainees have the opportunity to continue working right on the job after completion of high school. This gives them an early opportunity to develop a saleable skill.

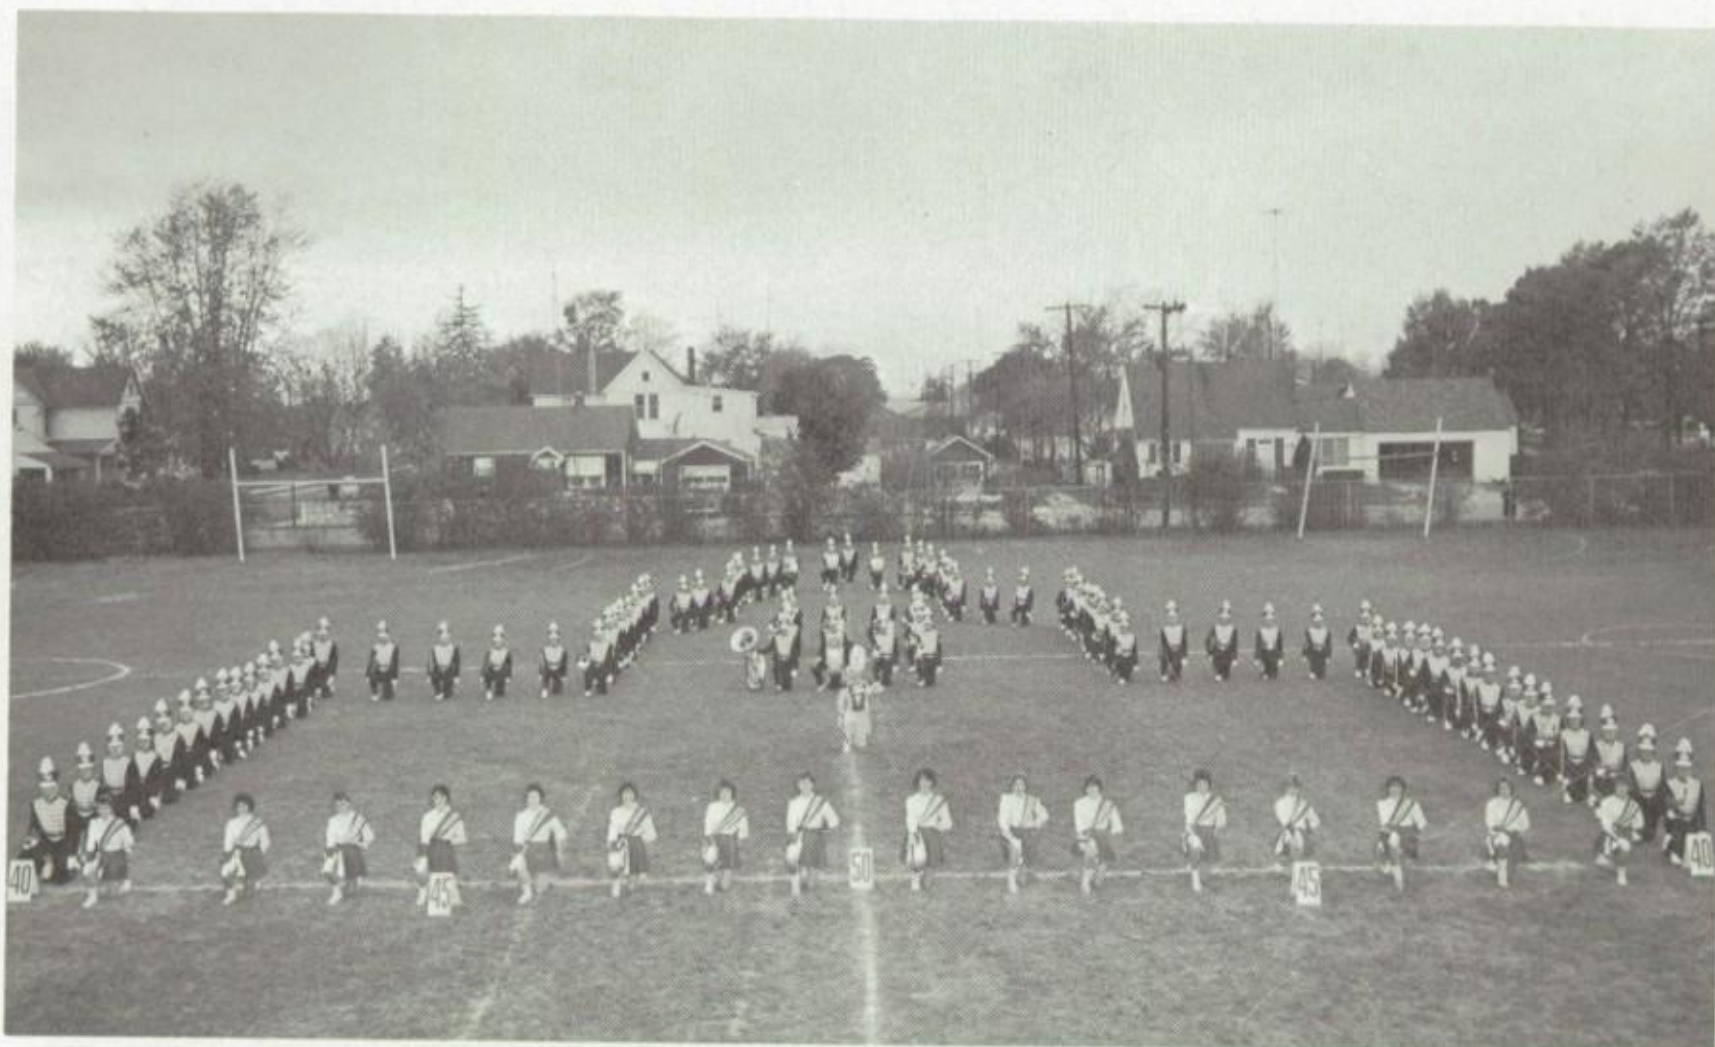

The choral music program at the Senior High School consists of three training choirs, a girls choir and a concert choir. The instrumental offering consists of orchestra, marching band and concert band. From this offering, eight musical groups provide in excess of 75 programs for the school and community during the school year. The performing groups are the vocal ensemble, girls choir, concert choir, orchestra, marching band, pep band, dance band and concert band. The girls choir, concert choir, orchestra and concert band each present two formal concerts a year. Total student enrollment in the music program at R.H.S. is 420.

Controlling the diaphragm so as to take a punch in the stomach and still have good control is one asset of a good singer.

CHOIR AND ORCHESTRA SHARE IN PRACTICES

In order to wake up his students on Monday mornings, Mr. Davenport uses the old "touch-your-toes" system. This usually wakes his pupils up as well as aids in breathing.

AND CONCERTS THROUGHOUT THE SCHOOL YEAR

This year the Richmond Senior High Marching Band began its full season by placing 7th in the Indiana State Fair band competition.

The band marched right through the pre-games and half times of football season. The Pep band played and boosted school spirit with the help of the Devilets during basketball games.

The Concert Band gives two formal concerts a year plus many fine performances at assemblies. The dance band has been playing at school and private dances.

1962 HOMECOMING GREATEST EVER

The 1962 Homecoming truly was the greatest ever. With Christy Lingle to reign over the dance and Judy Herbst and Carol McMahan as her court and the win over our N. C. C. foe New Castle, nobody could have asked for a better night. The parade the night before proved the students were backing the Red Devils all the way.

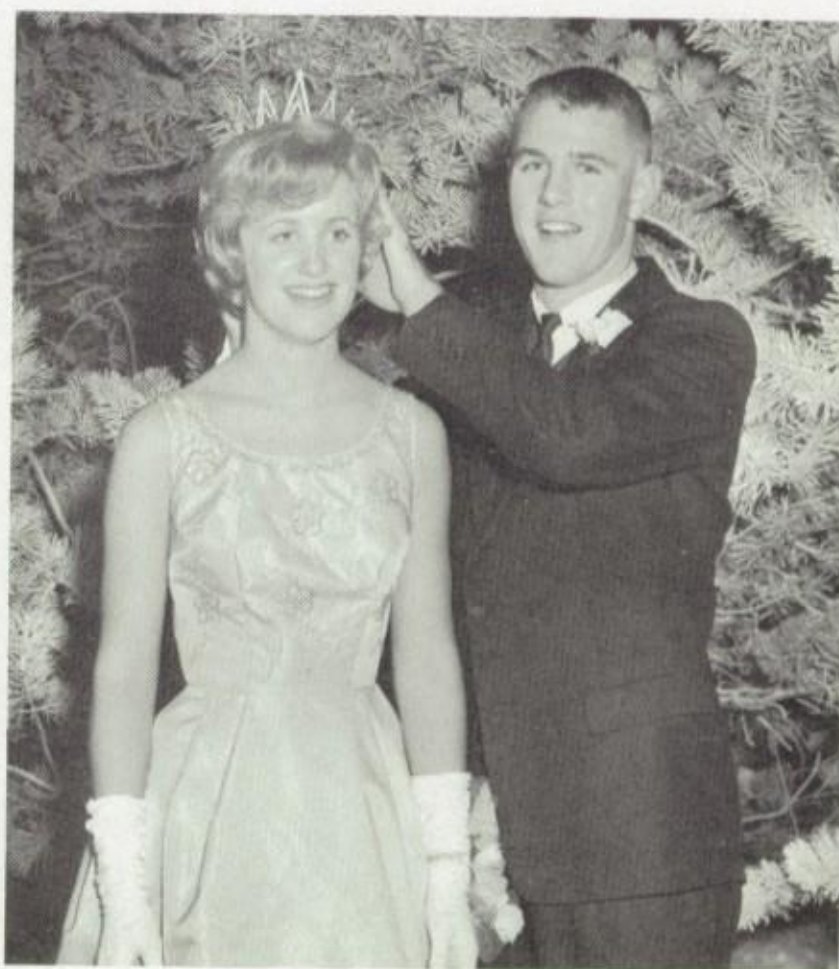

SNOWBALL - 1962

A giant Christmas tree covered with pale pink bows and a mist of angel hair stood in the center of Civic Hall on December 15, 1962. A pink and white ceiling and smaller Christmas trees were the other decorations. Couples danced to the music of Mel Haney and his combo. The dance was sponsored by the Hi-Y

STAIRWAY TO THE STARS

JR-SR PROM 1963

The theme for the 1963 Junior-Senior Prom was, "Stairway to the Stars." It was a fun filled night for all who attended. The Prom was given by the Junior Class Council.

Candidates for Prom Queen were nominated in Homeroom. The final five were chosen by the number of votes they received.

Candidates for this year's Prom are: **Upper left:** Sandy Armacost; **Upper right:** Donna Black; **Middle:** Jane Wynegar; **Lower left:** Mary Vance; and **lower right:** Sue Brittenham.

TAC Council Officers are left to right: Marc Duning, Chaplain; Dave Amos, Sergeant-at-arms; Barbara Brown, President; Andy VandeVord, Vice - President; Sharon Sittloh, Secretary.

The TAC Club, with over $\frac{3}{4}$ of the R. H. S. student body as members, is now in its 8th year. It can now boast to be the biggest and most popular after game and week-end entertainment spot in town.

Jukebox, ping-pong, checkers, cokes, and candy, plus a fun spot with ones friends tempt the Richmond and Wayne county high schoolers to TAC for an entertaining

and enjoyable 3 hours.

Walt, Joe, and Jinny, known to all TAC members, have helped us all through their great work with R. H. S. teen-agers, have advised us during the years, and supported us in the many community projects and dances sponsored by the Teen-Age Center.

TAC IS TOPS - LET'S DANCE

Above: The telephone in the Check Room gets as much use as anything at TAC. "Mom, pick us up at ten-thirty. We're having so much fun we want to stay longer" is a familiar quote.

Left: This is the reason so many kids have stamps on their hand Saturday and Sunday mornings. Everyone going into TAC must be stamped to show they have paid.

Below: Yes, this is what TAC is for. TAC — short for Teen Age Center — is a favorite for dancing, ping-pong, watching TV, and just plain fellowship.

Tom Porter was crowned Block "R" King at the annual girl invite dance. Members of Tom's court were Dick Byrd, Dick Houston, Rick Jordan, and Jim Stanley. The "Block 'R' Blast" was held after the Middletown, Ohio, football game Nov. 2, 1962.

DANCES

The D. E. Club of R. H. S. sponsored their annual dance on December 8, 1962. Called the "Mistletoe Mash," the dance was held after the Shortridge basketball game with music by Baby Huey and the Vets.

January 18, 1963 saw Pam Cahoon and Andy VandeVord crowned Olive Oil and Popeye respectively. The R. H. S. Student Council Ways and Means Committee sponsored the "Spinash Splash" after the Logansport basketball game. Other candidates for Popeye were Mark Mader, Jim Busch, George Davis, Eddie Siewek, and Tom Pierson. Candidates for Olive Oil also included Sue Demuth, Karen Thorman, Becky Rich, and Diane Wissel.

This year's Y-Teen dance was full of surprises. One was the decorations in the TAC room. It was decorated like Hades. Of course the big surprise was the crowning of Terry Hines as king. Everyone enjoyed dancing to the music of Hank Hankowsky.

MY BLUE HEAVEN

Pieria was the mythical home of the Muses who met at the summit of Mount Olympus and inspired man to write and dance and sing. There was the sage muse of history, the lyric muse with her tuneful lyre, and the laughing muse of comedy. It was not so long ago that they met as of old and sent their inspiration to a "little red school-house" in Richmond. So keen was their influence that genius and "midnight oil" burned at many a student's evening desk. The willing teachers were always ready with correction and suggestion so that the work was completed and put in this book named in honor of the ancient Pierides.

This year's Student Council has proven to be very active. Under the leadership of Dave Rodeffer, they have initiated many new ideas which they hope will be carried out in the future. One is a testing schedule for final exams. Many students and teachers feel that this would be an asset to our high school because it would lessen their test burdens. Other projects are visitations to and from other schools, bringing a foreign exchange student to RHS, issuing of the student directory, and supervision of the parking lot.

The Richmond Senior High School National Honor Society is one of numerous chapters of this international organization. Upper classmen are inducted into the society on the basis of four qualities Leadership, Scholarship, Character, and Service. The organization takes an active part in both school and community functions.

Those students wishing assistance last year were able to take advantage of National Honor Society's new project. During home-room the students met together and members of Honor Society helped them with whatever subjects they wanted.

Hi-Y is probably the most active service club at R.H.S. Among their many activities are three big dances each year. They are Snowball, Homecoming, and Commencement. They sponsor other various service projects throughout the year. Because Hi-Y is a service organization, they require each boy to do five hours of service work in order to join. Each boy is tested on his knowledge of the club and on the club's activities.

SPORTS OFFICIATING CLUB

Sports Officiating Club, a new one at Richmond Senior High, gives our boys a chance to know the ref's point of view. This club trains boys for ref'ing in different sports. These boys spend their time at the various junior highs, elementary schools, and at the Y.M.C.A. Each boy has found this to be a very rewarding experience, and some wish to continue in this avocation after high school.

Membership in the orchestra is open to all string players in the high school and to selected wind players who express an interest in becoming members of the group.

The high school orchestra is one of the performing organizations. We strive to offer

the student experience in varied types of orchestral literature encompassing the many periods of music composition. This enhances the student's appreciation of music. As a result of the objective, audiences are exposed to a varied orchestral program. The individual student is encouraged to greater achievement on his instrument for his own satisfaction as well as the quality of the group.

*To you,
Hope you have a

The concert band is composed of 80 members selected from the marching band. These students are exposed to varied types of concert and symphonic band literature with emphasis on the many facets of good musical performance. The activities of the concert band include school functions, service organizations and two formal concerts each year.

Left: Mr. Elrod is posed in a familiar position to all band and orchestra members.

OUR OWN DANCE BAND

Providing the music for Footlights, dances at neighboring schools, and for various other groups around Richmond occupies the time of the Dance Band. The Pep Band, a more informal group, is led by the band's captain, Dave Johnson. They provide enthusiasm as well as good music at pep assemblies. "Mashed Potatoes," a product of a jam session and a favorite of the whole student body could be heard echoing our hope of victory throughout the building.

This year's RHS football team will be remembered by many students for a long time to come. Winning the North Central Conference Championship and nine thrilling games is an excellent record for any team. Of course none of this would have been possible without the cooperation of team and coaches. Bill Farley is assistant "B" team coach and backfield coach; Bryon Klute, "B" team coach and assistant line; Jim Peters, backfield; Mike Rodich, line; and Hub Etchison, head coach.

TEAMWORK

It's been a looong, hard season; but our Devils pulled through.

This year's basketball team pulled a few surprises and ended up with a .500 season. Although this year's team will not go down in memory as a winning team, everyone will remember the spectacular win over teams such as Lafayette Jeff.

With the return of Kenny Satterfield between semesters and the superb shooting of Dick Byrd, the Devils managed to run up a five-game winning streak before losing the last game of the season to Anderson. Of course much credit must be given to the other members of the team along with the coaching staff. Dick Houston's long shot from the side is the best the Devil has seen in a long time. Charlie Wright has been on the varsity for three years and has proven that he is a very capable guard as well as shooter. Terry Olge, a Junior who will be back next year, brings great hopes to the Devil.

The second squad has proven that it can step in and take command when necessary.

John Bastin's Devils ended with a 10-10 season and a 3-5 NCC season.

WRESTLING "A" TEAM

Row 1: Terry Hines, Jim Deloney, Dan Caplinger, Dan Senese, Dale Stamper, Joe Watson. **Row 2:** Jim Bever, Manager, Tom Perry, Jim Wetzel, Fred Goss, Ed Jordan, Skip Haynes, Bill Dean, Manager, Bryon Klute, Coach. John Habing was absent when the picture was taken.

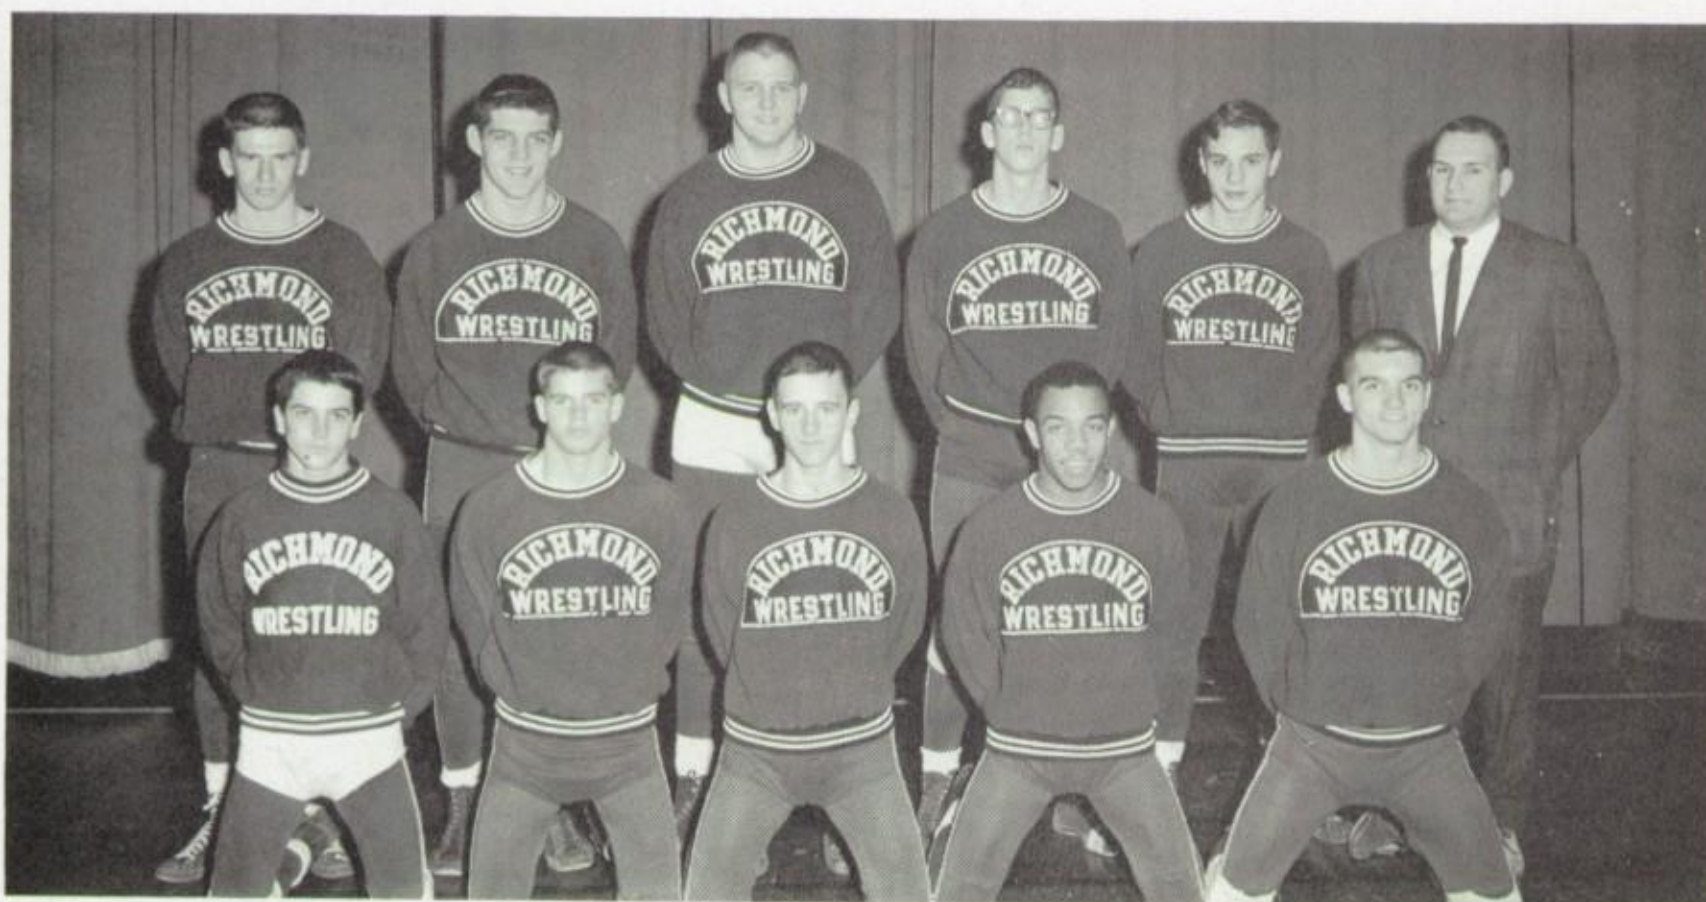

Left: Wrestling coaches: Jim Peters and Bryon Klute.

R. H. S. "B" WRESTLING SQUAD

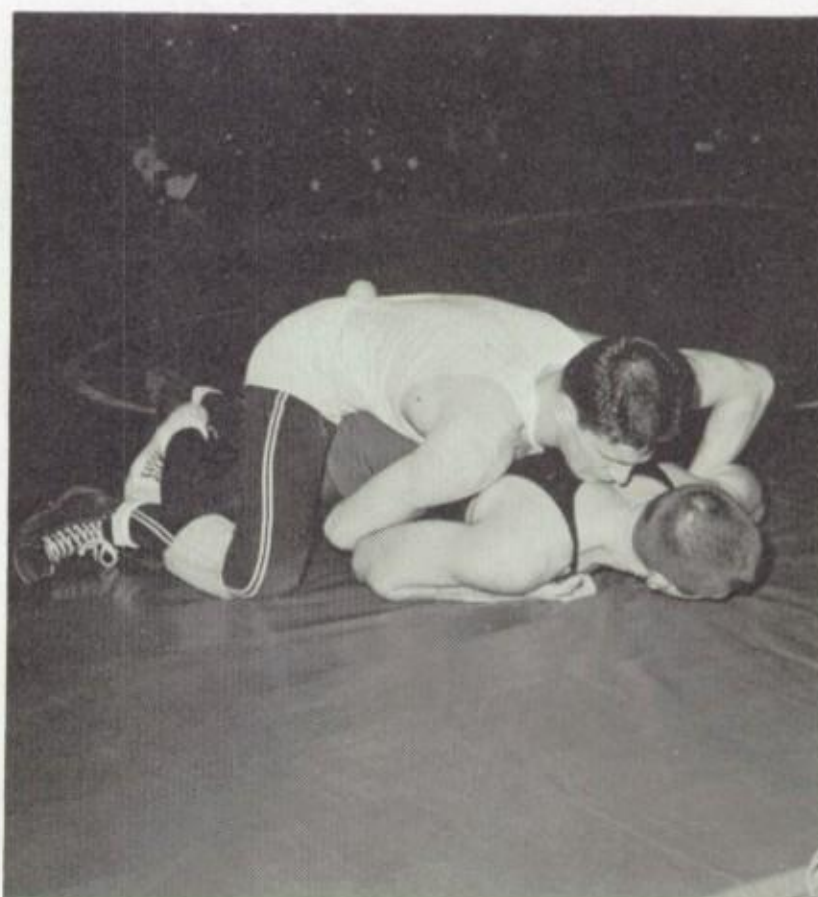

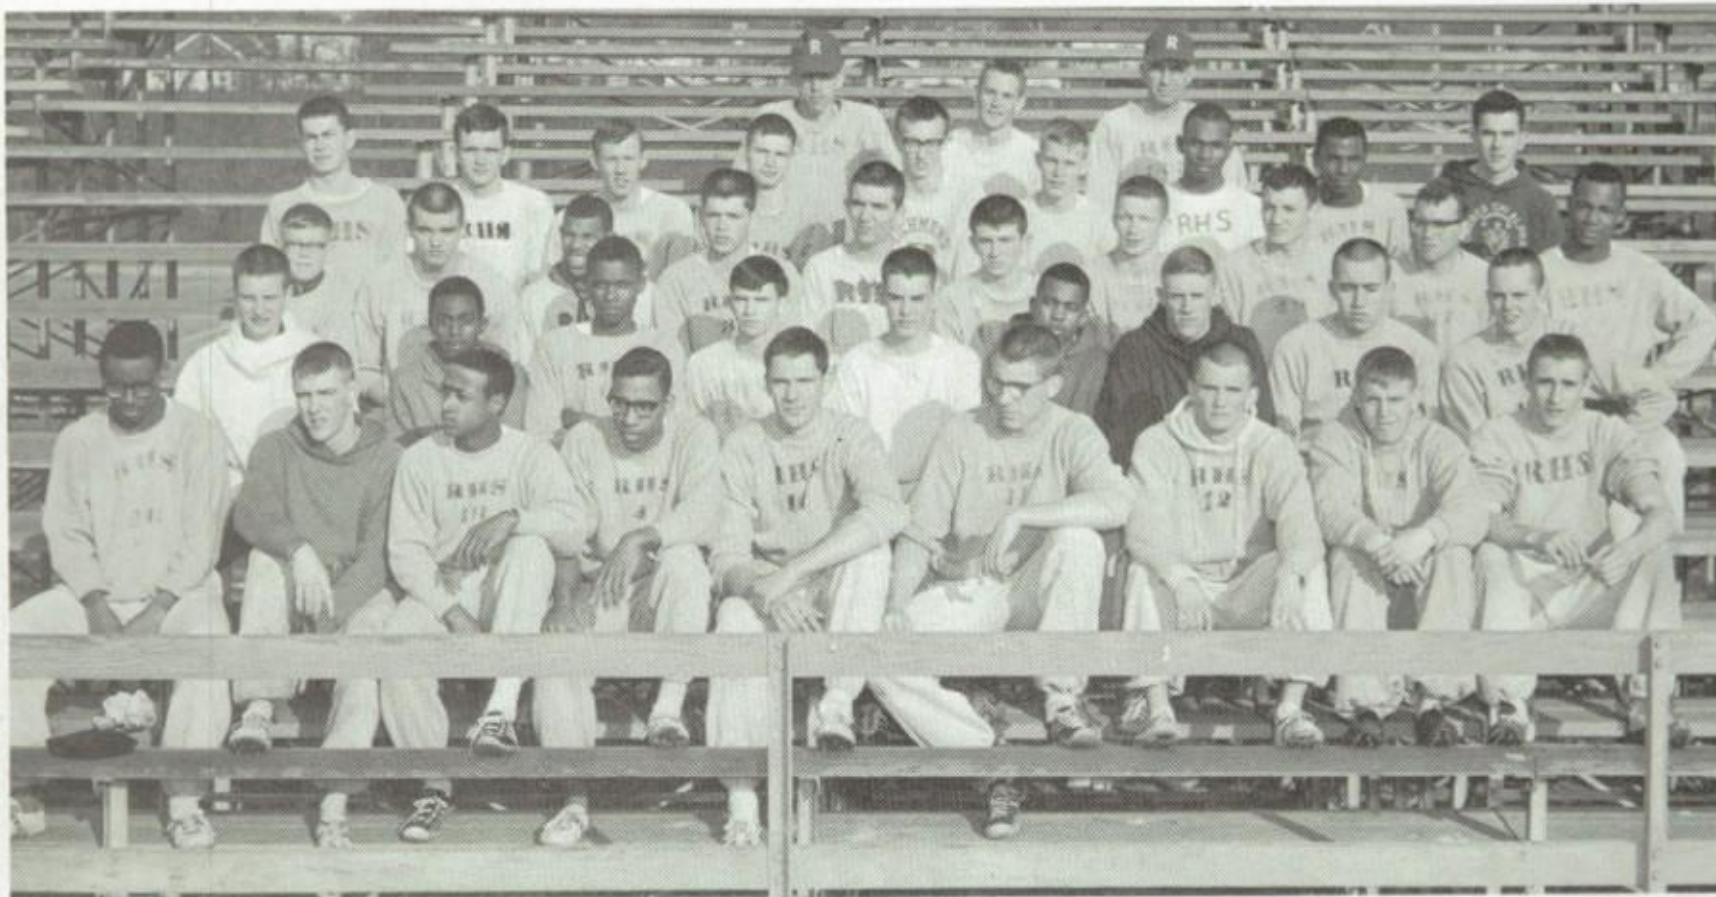

Row 1: Lonnie Hillard, John Livingston, Ton Watson, Dick Johnson, Doug Kaler. **Row 2:** Dan O'Conner, Steve

Sheckles, Mike Conti, Dwight Hodgin, Mike Kofski, Jim Peters, Coach.

The Red Devil grapplers completed the most successful dual meet wrestling season in the past four years by downing Madison Heights 37 to 18. Outstanding team performances were turned in against Muncie Central, New Albany, and Indianapolis Wood as the Devils compiled eight victories against four defeats. The Devils were not as successful in tournament competition although certain individuals did perform very well. Fred Goss won the NCC Wrestling Championship in the 180-lb. class, while Terry Hines, Skip Haynes and Jim Wetzel placed fourth. Richmond was second to New Castle in the State Sectional Wrestling Tournament and qualified Fred Goss, Jim Deloney and Dan Caplinger for the Regional Wrestling Tournament at Indianapolis.

Fred Goss was named team captain and Terry Hines was recognized as having the best take-down record. Jim Wetzel, our heavy-weight, gave us the needed margin of victory in several close matches. The outstanding sophomore on the squad was Jim Deloney. The Red Devils will lose such fine performers as Tom Perry, John Habing, Skip Haynes, Dan Caplinger, Terry Hines, Fred Goss, and Jim Wetzel by graduation.

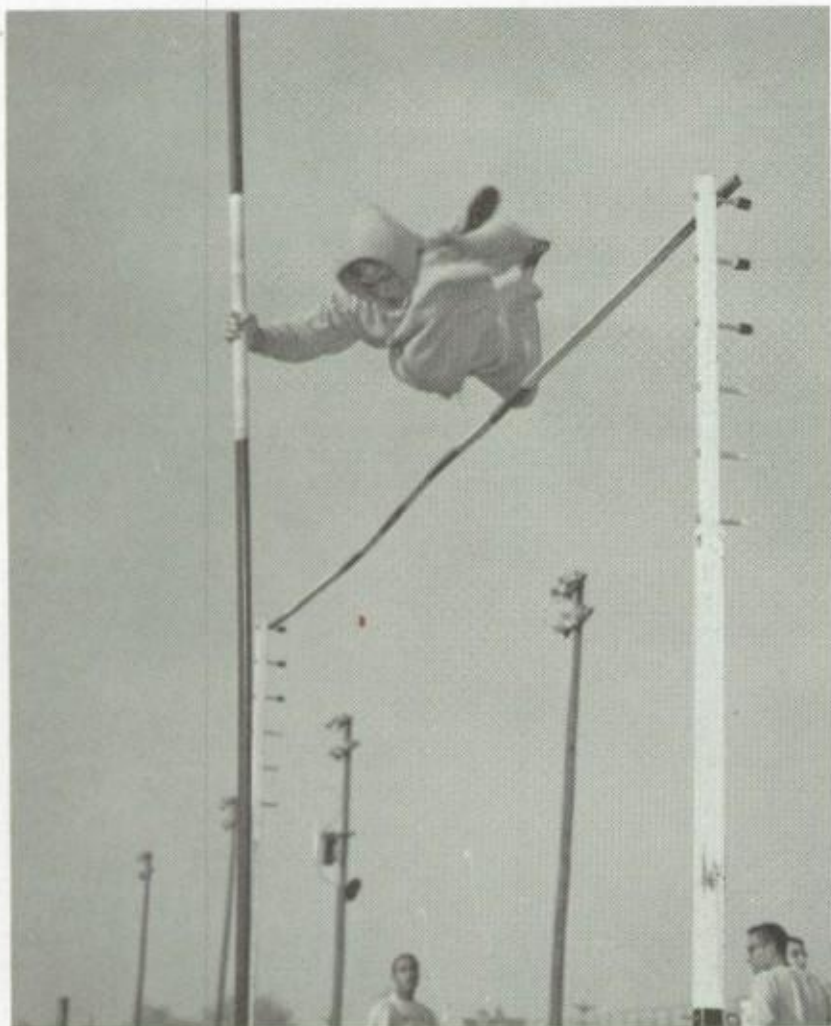

Row 1: Gary Harris, Mark Mader, Rick Burden, Fred Wright, Joe Ramsdell, Steve VanZant, Rick Jordan, Alan Parker, Duane Harter. **Row 2:** Dave Rodeffer, Charles Cox, Don Williams, Wendell Ezell, Larry Vardaman, Mike Leavell, Tom Porter, Bob Van Pelt, Dick Houston. **Row 3:** Jim Yount, Doug Kaler, Tom Holland,

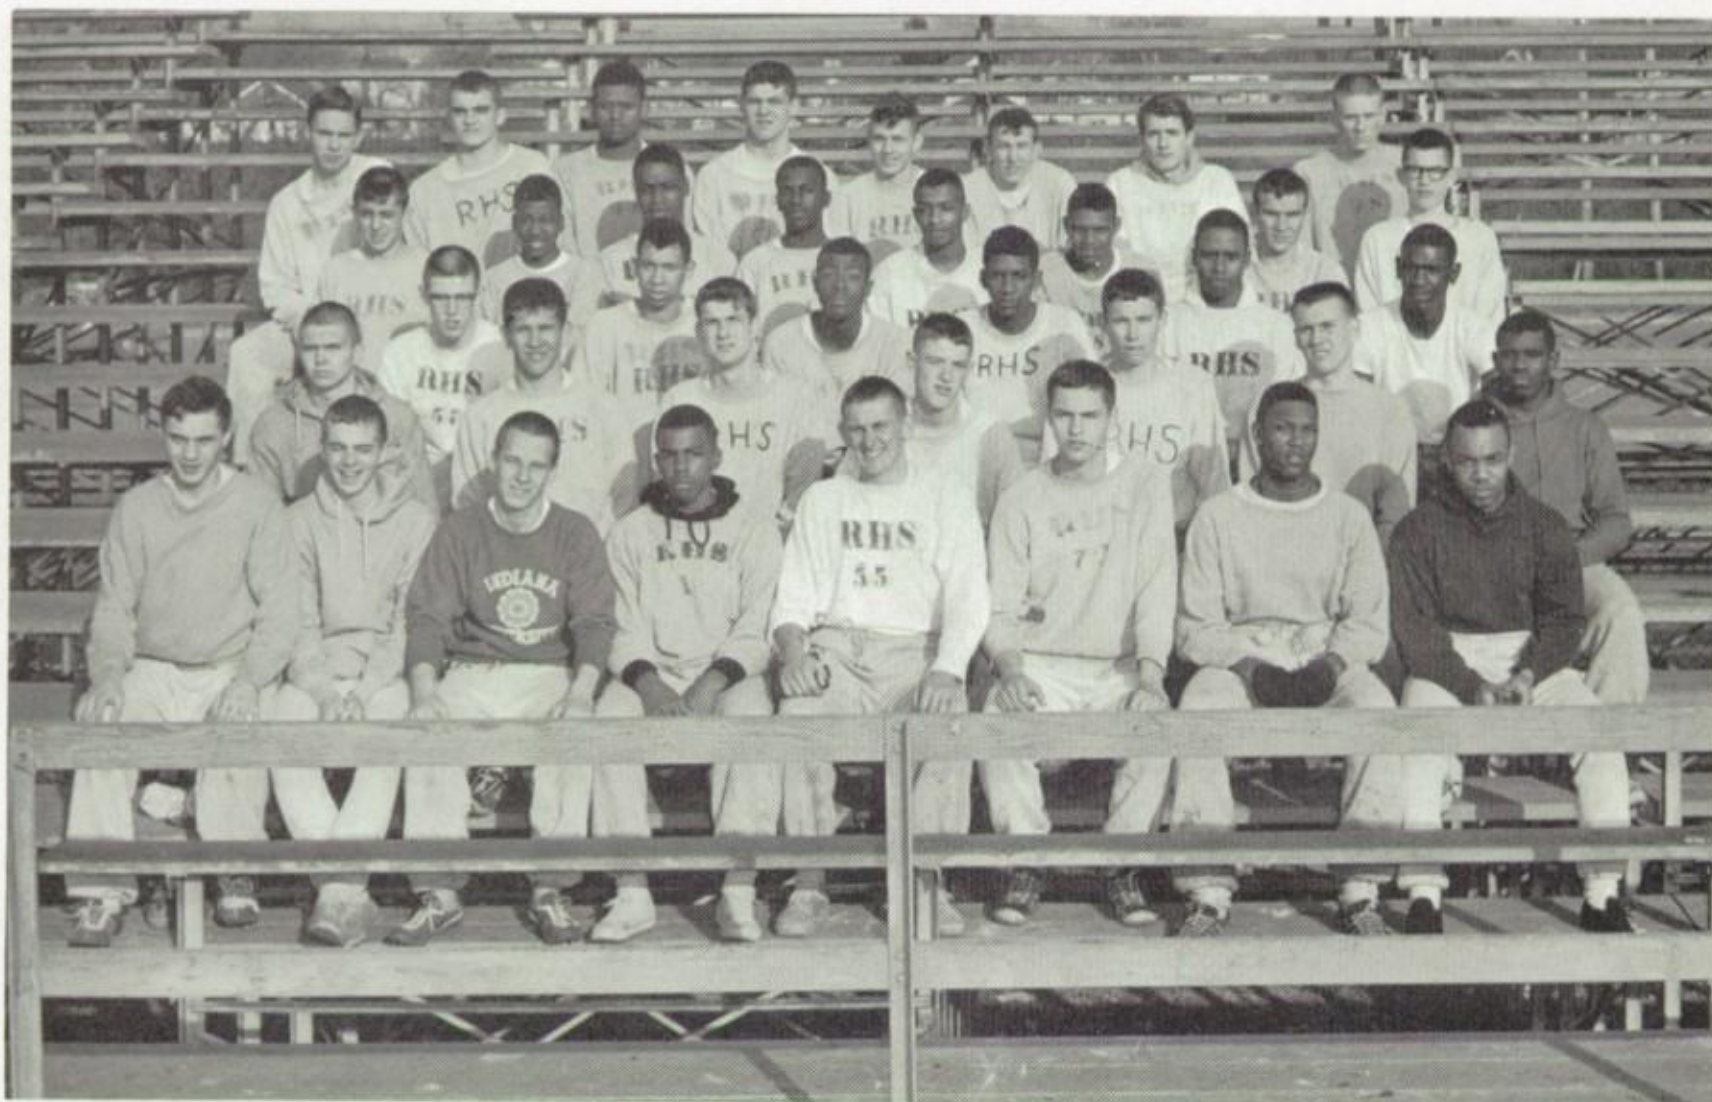

John Hampton, George Henry, Rick Murray, Kip Baldon, Jim Bullock, John Browning. **Row 4:** Jim Hoch, Woody Woodward, Gary Whirley, Kent Tubesing, Ken Huffman, Terry Wright, Wes Clark, Terry Hogg, Don Simmons. **Row 5:** Coach Hilton, Bruce Dailey, Coach Dils.

VARSITY TRACK SQUAD

This year's track squad is made up of about 40 boys. The events in which the squad participates include running, high jumping, pole vaulting, and hurdle jumping. The coaches, Mr. Hilton and Mr. Dils, deserve credit for the fine R.H.S. track record which they have helped to make. Credit is also due to the student managers, Dave Rodefer and Jim Yount.

Left: Alan Parker performs a pole vaulting stunt as other members of the squad watch.

RESERVE TRACK SQUAD

Row 1, Left to Right: Mike Kofski, Pat Ringley, Larry Ranfanen, Curtis Walker, Bob Kime, Tim Smyder, Doug Shearer, Dickie Johnson. **Row 2:** Randy Stinglemen, Jim Huddleston, Tom Deitemeyer, John Kirkman, Gerald Lakes, Don Dytmire, Van Dell Patterson. **Row 3:** Mark Jones, Gary Tyler, Ron Milton, Marcus Uleaver, Mike Hopkins, Earl Chenault, Ron Moorman, Chris Wilson. **Row 4:** Lewis Langley, John Commons, John Dawkins, Steve Shekles, Jack Gruelich, Dale Stamper, Larry Howard, and Steve Armacost.

An important part of each boy's track career is the actual meets that pay off at the end of the season when awards are given.

BASEBALL HAS A GOOD SEASON

Row 1, left to right: Larry Tiano, Dick Wissel, Mike Martin, Ronnie Cross, Dwight Hodgin, Bill Thomas, Ricky Clark, Rick Schneidewind, and Rick Puthoff. **Row 2:** Dave Morguson, Jack Oliver, Duane Chenoweth, Phil Stevens, Jon Brenizer, Ron Hudson, Keith Welker,

Ron Siders, and Bob Weisenhaan. **Row 3:** Gary Worthington, Larry Brown, Larry Cain, Harvey Goldenberg, Jim Bryant, Garrett McElroy, Jim Puckett, Dave Amos, Keith Thornburg, and Woodie Coyle.

Third baseman Rick Puthoff prepares to catch the ball as Keith Welker dives for 3rd base.

Row 1, Left to right: Larry Cain, Jim Puckett, Dave Amos. **Top row:** Jim Bryant, Keith Welker, Rick Puthoff.

Row 1, left to right: Scott Porter, John Eggemeyer, John Keates, Mr. Wright, Coach. **Row 2:** Ollig, Gene Hotsenpillar, John Keenan, Larry Rantanen, Dick Thurman, Bill Foley, John Marshall, Steve Kealey, Bill Waddell. **Row 3:** Rick Jefferson, Tom Altenshult, Mike Kendall, Tom Helfrich, Bob Duagherty, Steve Witheby, Jim Witherby, Bill Miller, John Leith.

Left to right: John Eggemeyer, John Keates, and Scott Porter.

GOLF HAS A GOOD HOLD IN SPRING SPORTS

Above, Row 1, left to right: George Davis, Jim Maley, Rick Boston, Ken Kurdys, Jim Busche. **Row 2:** Mike

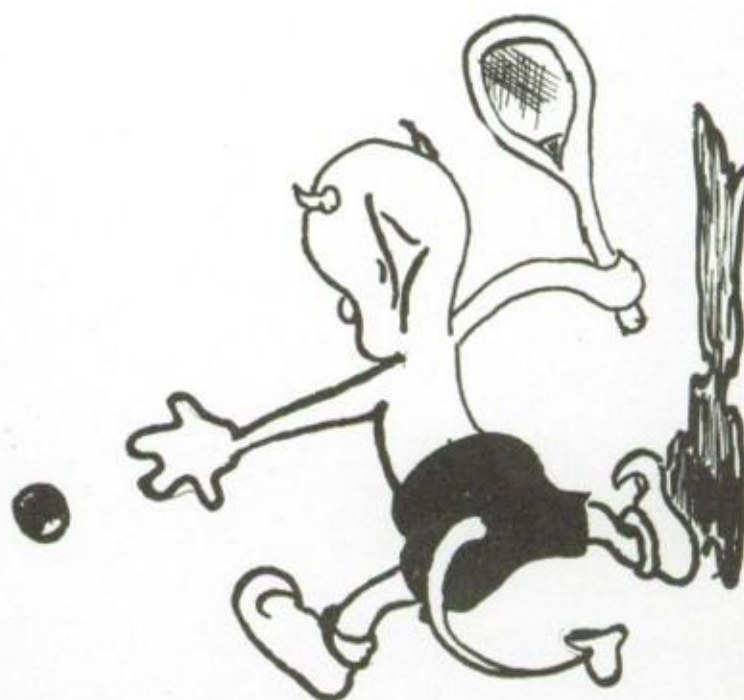

Sonsini, Mike Gibbons, Jim Stanley, Bob Bringle, Chuck Benner, Calvin Russell, Mr. Myers.

TENNIS TEAM CONTINUES

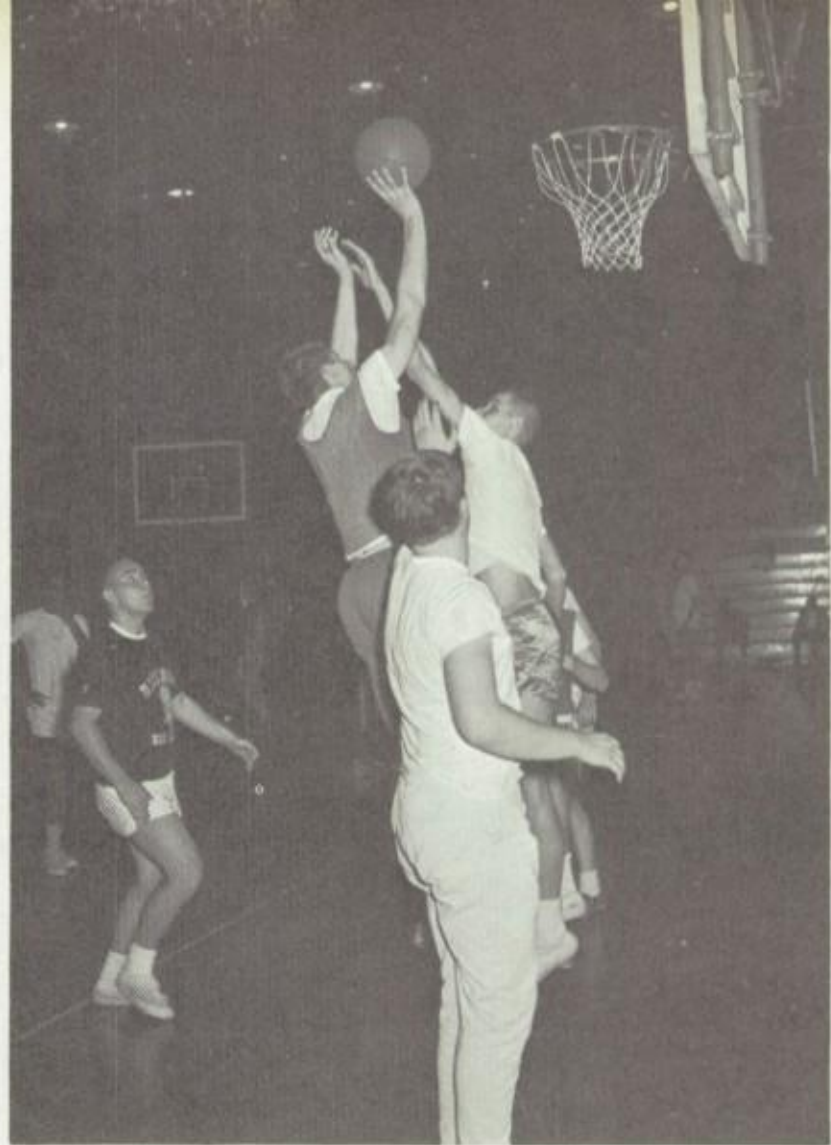

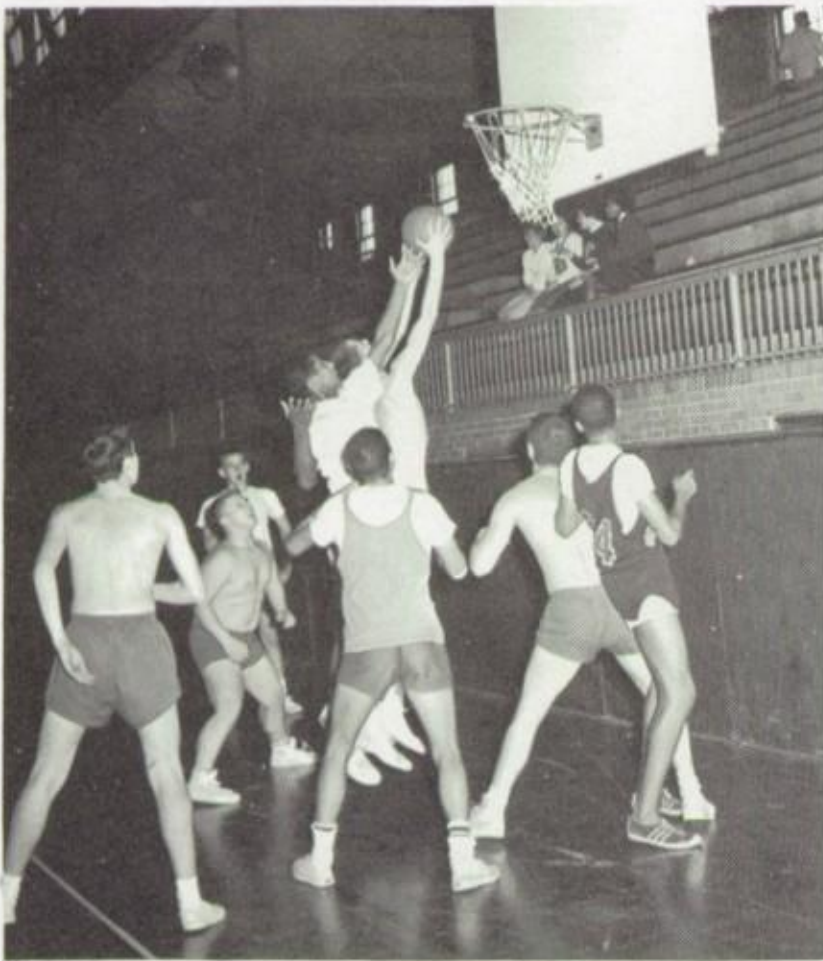

A GOOD SEASON

Row 1, left to right: George Davis, Jim Busch.
Row 2: Mike Sonsini and Jim Stanley.

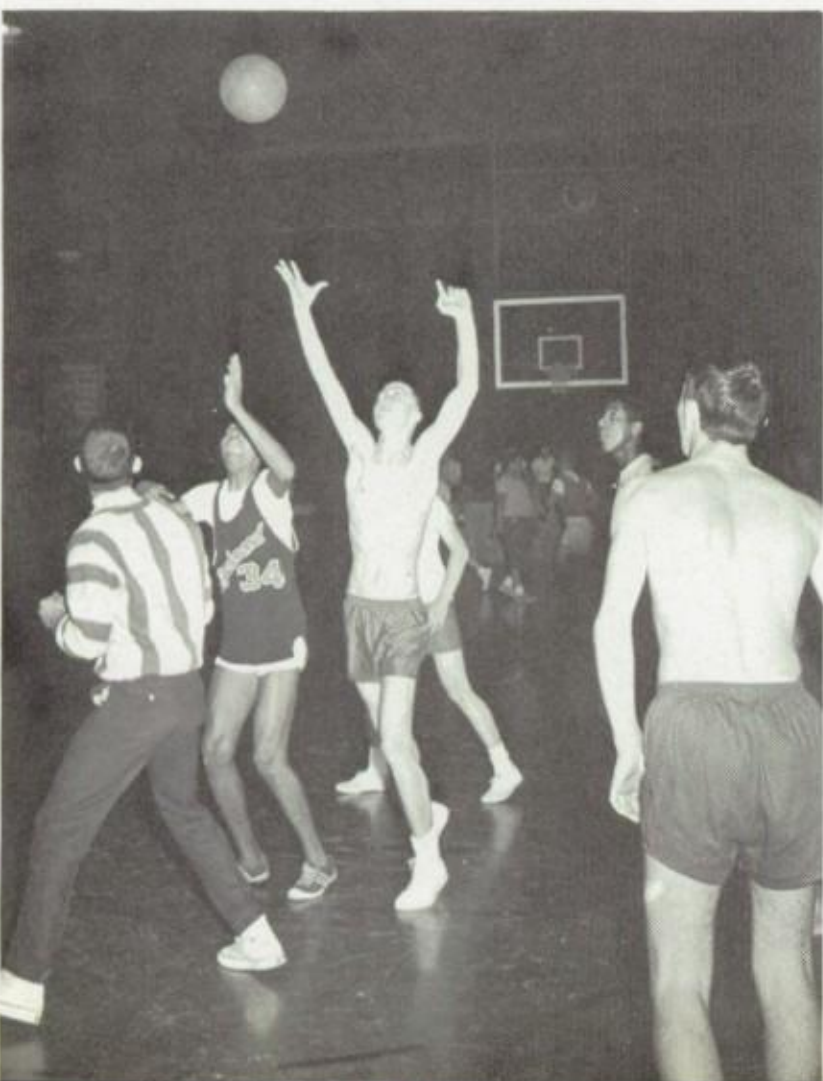

INTRAMURALS

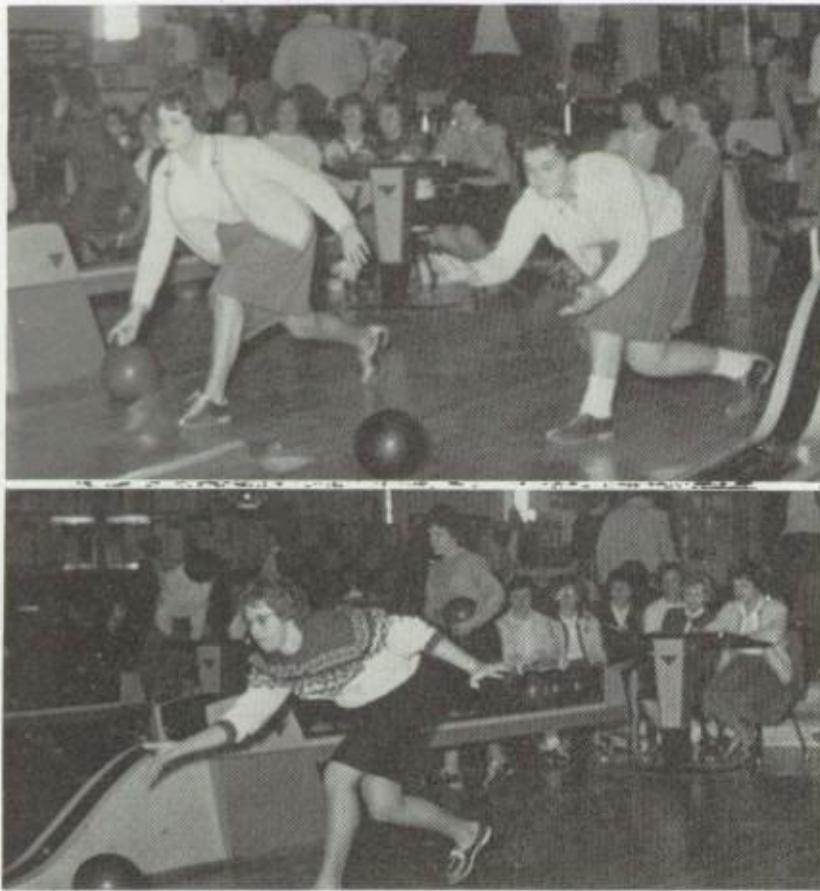

The pictures on this page show various types of action one would see at these games.

Intramural basketball is open to any boy not participating on any athletic team. This gives every boy a chance to play on a team. Games are held after school on Fridays. Each team vies for first place. The members of this

year's winning team were Bobby Smith, Captain, Don Williams, Verneil Lewis, Mike Leavell, Raymond Berry, Larry Hall, and Jim Leaf. Mr. Etchison and Mr. Rodich are sponsors.

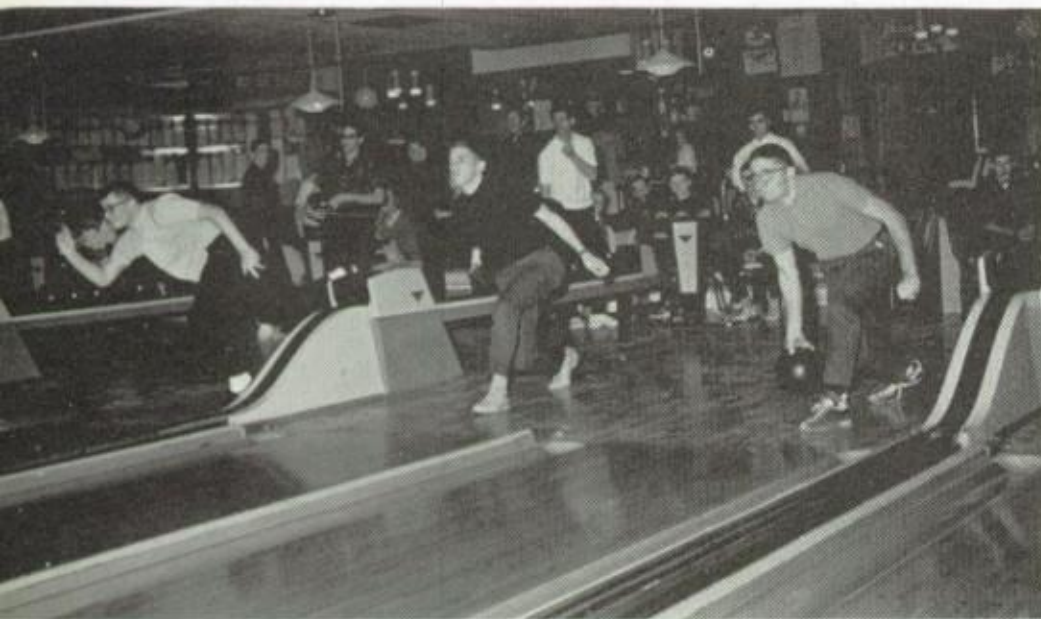

GIRLS' BOWLING LEAGUE

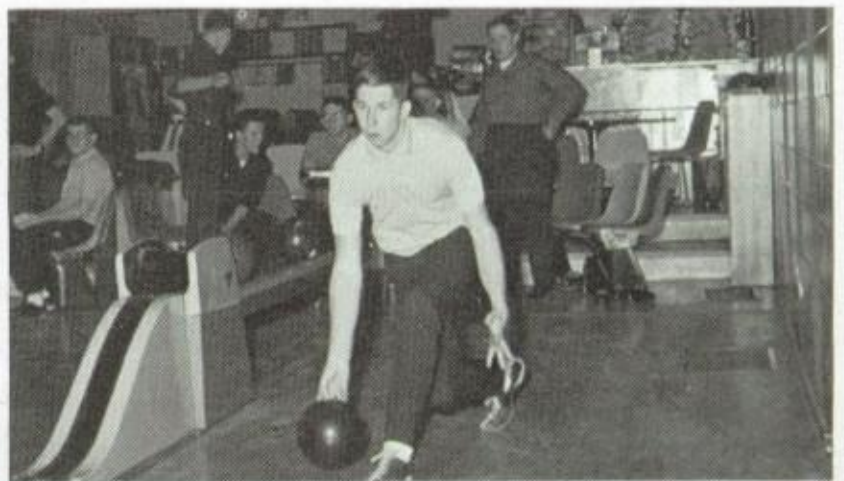

Girls' bowling is the only type of school sport organized for girls. Because of this many girls sign up to bowl. They bowl once a week for ten weeks during the fall semester. This year's winning team was Nancy Kierztlyn, Captain, Beverly Mervin, Peggy Mills, Suzanne Miller, Mary Keen, and Pat Williams.

BOYS' BOWLING LEAGUE

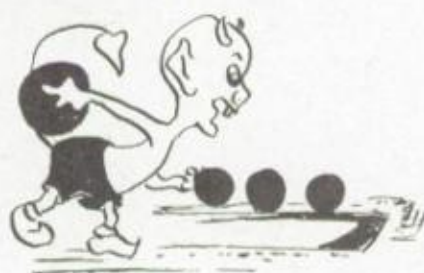

Boys' bowling is one of the intramural sports for boys. Like the girls, they bowl once a week for ten weeks at the American Alleys. This year's winning team was Woody Coyle, Captain, Larry Brown, Dave Brock, and Maury Chavers.

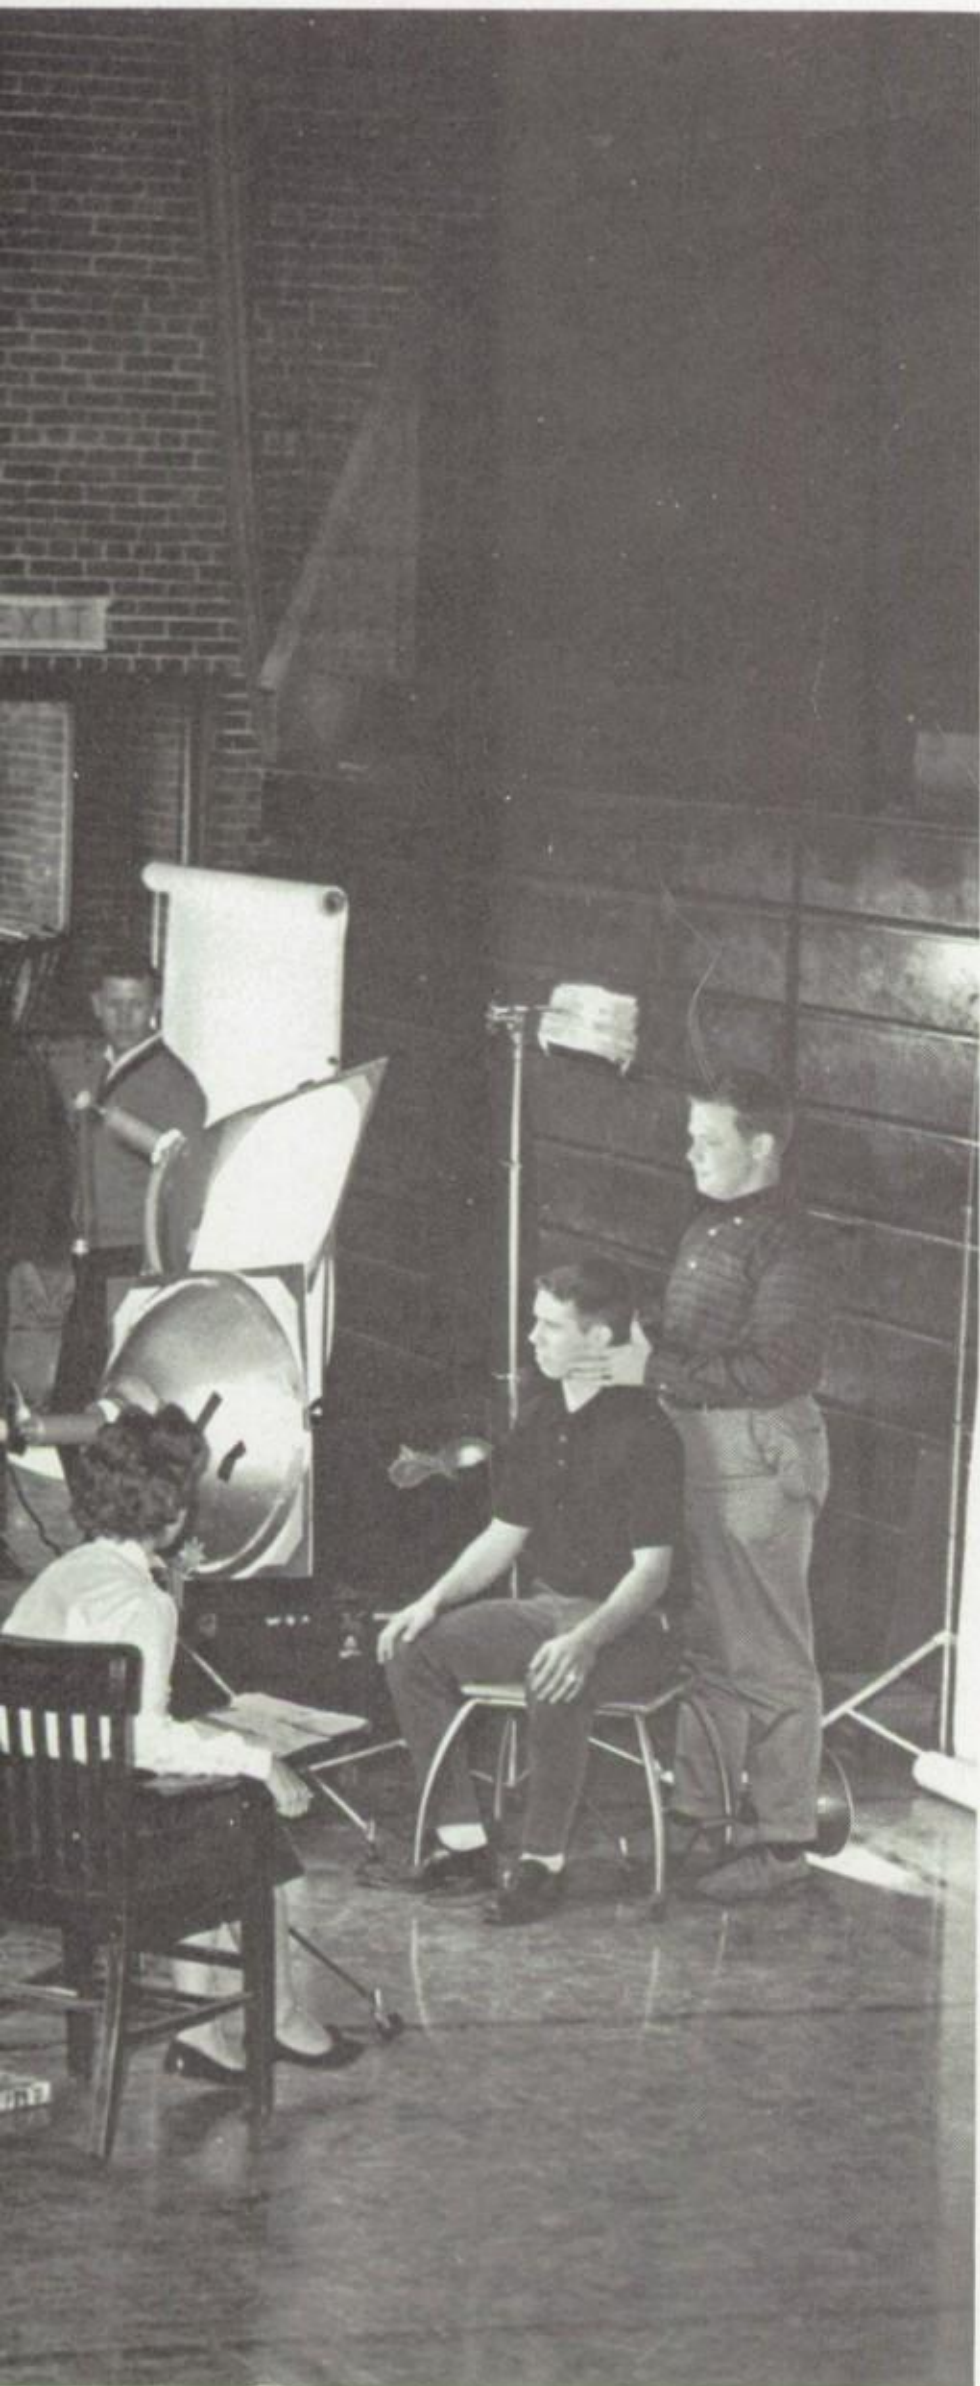

MIXED BOWLING

Mixed bowling is open to any girl or boy who bowled on a school team the semester before. Each team consists of two girls and two boys. Everyone who bowls enjoys it a great deal, but they notice how averages tend to drop. Who worries? Just as long as you have fun!

Row 1: Mr. Klute, Bob Kime, Mary Ann Rambo, Barbara Ferrell, Rick Jordan, Miss Fihe, Mrs. Cordell. **Row 2:** Katie Terwilliger, Jane Wynegar, Vicki Neff, Susie McKinley, Barbara Schaefer, Dave Johnson. **Row 3:**

Dick Byrd, Marc Duning, Darrell Townsend, Judy Herbst, Beberly Oxedine, Debbie Coryell, Lowell Fisher, Kip Baldon.

SENIOR CLASS COUNCIL

The main concerns of the Senior Class Council are Commencement, Baccalaureate, ordering senior announcements, and measuring for caps and gowns. Other activities include Senior Class Play, Senior Class Scholarship, and Senior Class party. Each homeroom of the class elects one representative and one alternate to the Council.

In 1940 a little imp was created for Campus Clippings, a bulletin board in Social Hall. This little imp was created by Harry Ford, who with the help of Harlow Haas did most of the drawing for Campus Clippings.

Harlow now works at a local store as their layout designer; Harry was a victim of World War II. If he had lived, it would be anyone's guess what greatness he would have attained.

It has been an honor and a great pleasure to be able to use Rudy in the 1963 Pierian, and it is my hope that you enjoy him as much as I do.
